WITHDRAWN

Foreword . . .

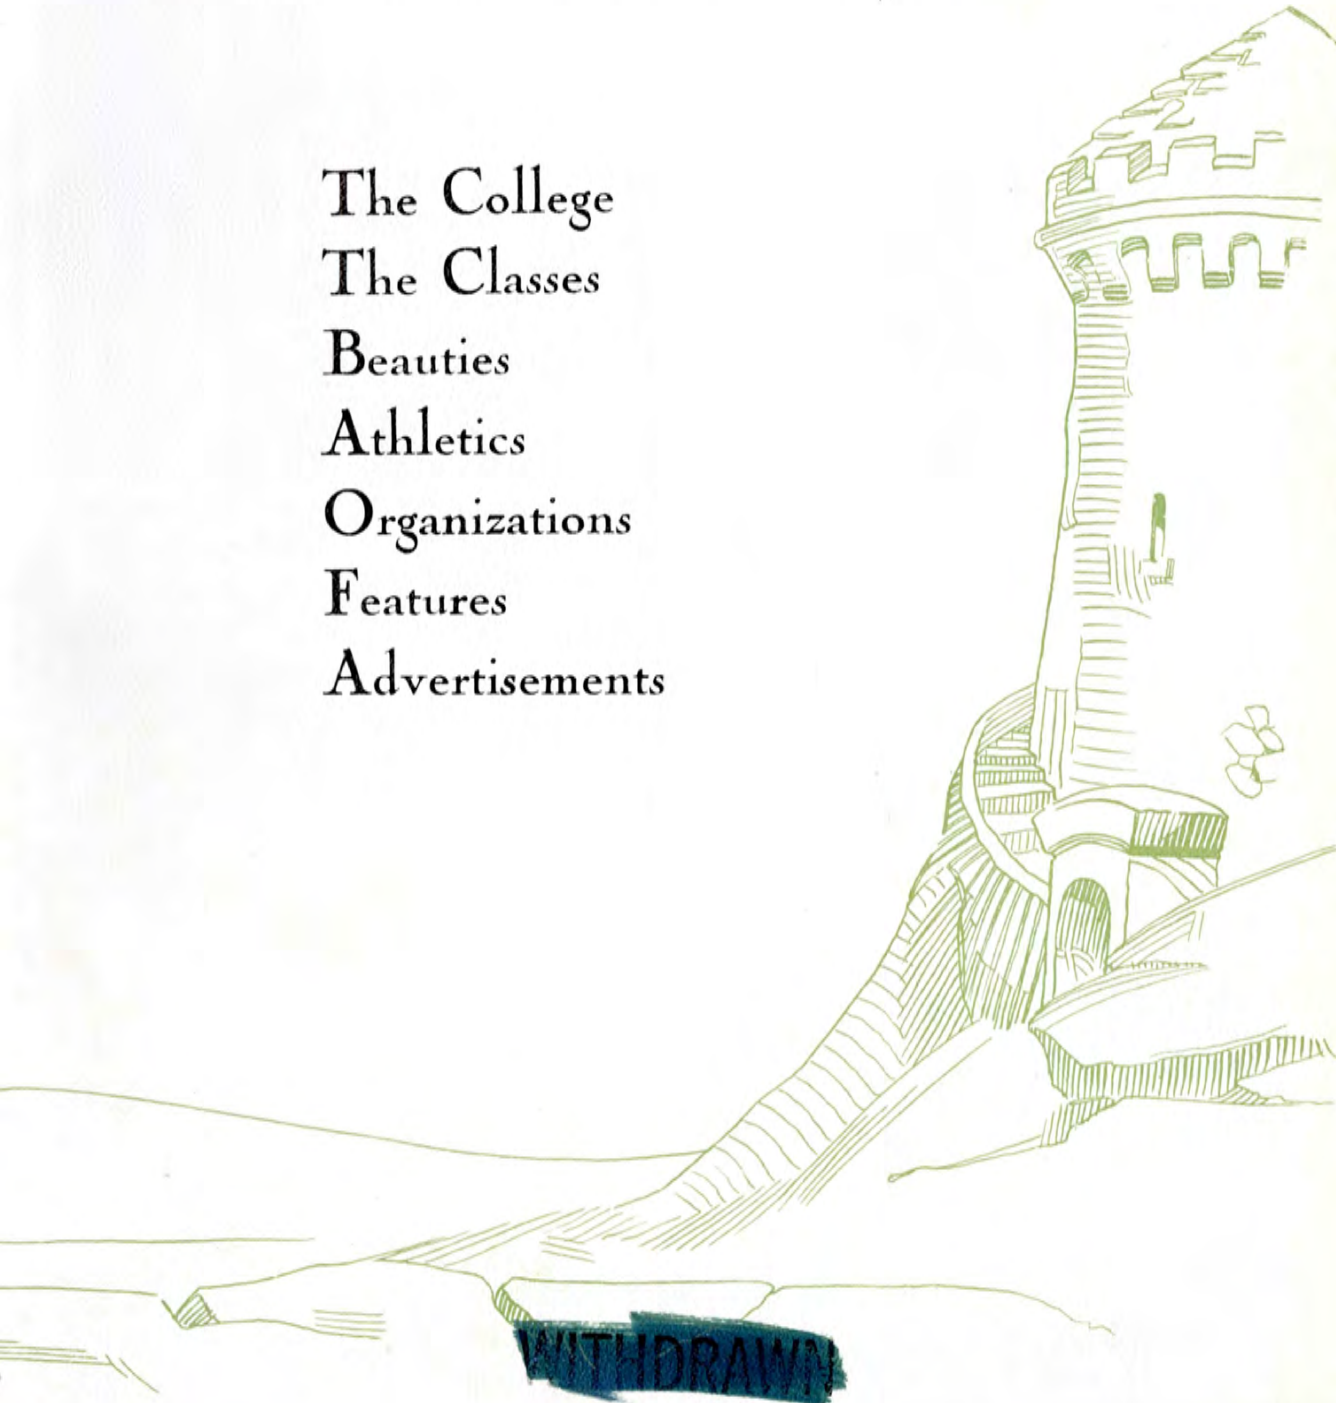

ASKING only this, that your criticism, or praise be just, and tempered with the thought that we, too, are only human and liable to err, the Staff of this, the Lagniappe of Nineteen Hundred Thirty-two, presents the result of their efforts to create for you a "Storehouse of Memories" and a true "Chronicle of the Year's Activities."

May this volume bring to you many pleasant memories of the "days of Auld Lang Syne."

Football

Coaches

George M. Bohler came to Tech as head football coach and director of athletics in the summer of 1930. His arrival at a time that Tech needed someone to lead them out of a sports chaos was heralded as a solution to the problem and the great football team he coached to a man in 1932 has proven and affirmed the hopes asked of him. Taking over head coaching duty in baseball and basketball in addition to football, Bohler is splendidly filling a tough task for 1931-32.

Hal Lee, former Mississippi college all-association star, is filling his first coaching assignment at Tech in 1931-32. As assistant to Bohler in football, basketball and baseball, Lee is occupying an important role and his experience as a major league baseball player proved invaluable to the diamond players.

Roy Gatlin, first-time freshman football coach, finished Louisiana Tech in 1931. His experience in football was gained from three years as regular guard on the Bulldog eleven. "Gat" had to undergo an operation shortly after the start of the training season and his month's absence from the yearling squad mentorship proved an unfortunate burden upon the frosh and the other members of the coaching staff.

E. M. Shirley completed his seventh season as varsity and freshman track coach at Tech this spring. As trainer of the football season Shirley assumed another difficult job, but filled the position in a highly successful manner. A graduate of L. S. U., Coach Shirley has worked untiringly in the interest of track at Tech and a long list of outstanding performers is the reward of his excellent coaching.

UNDEFEATED

With an abundance of excellent material for the backfield, Coach Bohler centered a great deal of training in molding a line, and from the very first contest the "built" forward wall won laurels.

Tech's backfield became one of the most outstanding in the nation, with Gilbert winning high-point honors for the Bulldogs in the association, scoring a total of 86. The Bulldogs ran up a total of 167 points against opponents' 36.

One of the few undefeated and untied football elevens of the United States in 1931, the Louisiana Tech Bulldog eleven made a meritorious record that stamps it as the best Tech team of the past decade, if not in the entire grid history of the college.

Coach George M. Bohler won an everlasting niche in Tech's hall of fame by the manner in which he labored with the Bulldogs of 1931 in their attainment of glory.

COPIAH-LINCOLN

COPIAH-LINCOLN, junior college champions of Mississippi, came here for the opening game of the season October 2. Surprising the Bulldogs at the start, the visiting Mississippians rushed across a touchdown in the first quarter, and led until Tech counted in the next period and again in the third quarter. Holding Tech to a final score of 13 to 7, the Copiah-Lincoln eleven battled through the entire fray, and never gave the Canines a chance to make a run-away affair of the tilt.

UNION UNIVERSITY

Traveling to Jackson, Tennessee, for a night game with Union University, October 9, the Bulldogs put across a 39-to-0 win for a surprisingly high score. Unaware of the strength to expect of the hosts for that night, the Bulldogs sensed their superior strength after a scoreless first quarter, and crossed the Union goal line three times before the half. Three other touchdowns came in the final quarter to amass Tech's largest total for one game of the season. Gilbert and Baker were in a spectacular exhibition under the bright lights and scored two touchdowns each. Gilbert ran once for 75 yards and another time for 45 yards and a score.

SOUTHWESTERN LOUISIANA

Hosts to Southwestern Louisiana on Tech's Homecoming, October 17, the Bulldogs scored their third victory of the season by a 38-to-0 decision over the South Louisianians. Playing inconsistently at the start, and with numerous penalties inflicted, Tech was slow in getting started, but three S. L. I. passes that fell into Tech hands aided in a trio of touchdowns being scored before the half. Baker ran 65 yards for the third touchdown on an intercepted pass. Three more Tech touchdowns came with ease in the final half to display to visiting alumni why the Bulldogs were destined to go undefeated with the end of the season.

MILLSAPS

The first faint dreams of an undefeated team followed the Bulldogs' "Garrison" finish win over Millsaps here October 23. In a 7-to-7 tie with the Majors with only a few minutes to play remaining, the Canines rose to immortal grid heights by staging a march of 70 yards that netted a touchdown and the game. Yeldell saved the game in the first quarter by overtaking a fleet Millsaps runner nine yards from the Tech border. The Bulldog forwards proved invincible with the ball afterwards one foot from their last chalk line and held Millsaps for downs. Tech scored in the second quarter, and the Majors tied the count in the third with a 62-yard pass and run. Tech's final drive to victory featured a mixed attack with line and backfield clicking harmoniously.

NORMAL

By winning from Millsaps the Bulldogs had entrenched themselves in second place in the association standing and were an invincible crew for Louisiana State Normal to tackle here on October 30. One of the best crowds of the season watched the Bulldogs whip the Demons, 18 to 2, to break a three-year-old Normal supremacy, but the score hardly indicates the Techmen's real power. Passes figured prominently in the affray, Tech counting their initial touchdown on two successive 15-yard passes in the second quarter. The two other touchdowns, one in each of the last two periods, were either due directly to a pass or resulting from a pass.

MISSISSIPPI COLLEGE

Facing the mighty Choctaws of Mississippi College here on November 14 after a two-week rest period, the Bulldogs played brilliantly, fought desperately and outpointed decisively to win 19 to 13. Given only an outside chance of downing the Indians, Tech outplayed the visitors three quarters, and held a tie or lead throughout the battle. Off to a remarkable start with Gilbert racing 90 yards behind perfect interference for a score on the kick-off, the Bulldogs took a lead that was boosted by

another touchdown before the first quarter was over. Mississippi rallied in the second and third quarters to tie the score, but in the fourth period the Techmen caught the Indians napping, and on a kick from close formation that was fumbled by the Choctaw receiver on his own 15-yard line, the Bulldogs gained possession of the ball. Two passes and three line plays sent across a third touchdown for Tech, and was enough to beat a great team.

LOUISIANA COLLEGE

Careful but confident, Louisiana Tech Bulldogs and student body journeyed to Pineville, November 21, for the game with Louisiana College that would conclude the season. When the final gun sounded, ending the affray, and with Tech 27-to-7 winner, the first undefeated team in 10 years was realized. Making the most of their passing game, Louisiana scored first on a 33-yard pass and run in the initial quarter. The Bulldogs came back for a touchdown on the kick-off following, and from then on were in charge of the game. Tech's captains, Swayze and Gilbert, and VanDalsen, Heard, Mangham, and Baker concluded their college grid careers in this game in a wonderful exhibition. Gilbert, in his last play of a college grid career, ran back a Louisiana College punt 65 yards for a score late in the fourth quarter.

IN a "depression" basketball schedule of 13 games within the association, the 1932 Tech cage squad turned in only four victories. The best possible, however, was made of an unfortunate season that was featured by the consistency with which the Bulldogs were "off" from one game to the next.

The four victories for the Techmen gave them a clean sweep over three rival colleges, since that number represented all the games played with them. The greatest blow to the team was in the form of four defeats at the hands of the Centenary Gents. Millsaps, Mississippi College and Normal all scored "grand slams" on the Bulldogs in the two or less game series.

A most remarkable trait of the squad was its ability to stage comebacks in the last half of practically every game lost. Great scores were sometimes piled up on the Bulldogs during the initial half, but the final score generally evidenced a rally on the part of the Tech quintet.

Opening the season at home, the Bulldogs forged ahead the last on four goals by "Fannie" Mangham, to win from Louisiana College, 30 to 29. Normal took the second game locally by a count of 35 to 31. The Demons had the Tech boys deluged by a 27-to-7 score at the half, but the final tally indicates a busy Bulldog in the second semester.

Normal took the Techmen in at Natchitoches for a second beating on a 45-to-37 score. Returning home for the fourth game, the Bulldogs played to their best form of the season in running up a 67-to-37 score on Union.

Millsaps followed the Union-Bulldog here, and had trouble taking the Bulldog's measure at 44 to 35. Southwestern, in a one-night stay, dropped a game to the Bulldogs by a 40-to-18 score.

The first of the Centenary battles was a real battle, with the Gents ahead only 42 to 39 at the close. Then a trip into Mississippi cost the Bulldogs two games, but not until last minutes in each instance, and then to leading teams of the association. Mississippi caged a field goal in the last

second of the first game to win, 36 to 35. The same Choctaws were later crowned champions of the S. I. A. A.

Millsaps, the second stop for the Bulldogs in the Magnolia state, won in an extra period on a 40-to-33 score. The Tech five led the Majors until bare seconds to the final bell, but were again on the bottom in the case of luck.

Continuing traveling the Bulldogs won their final game by a 38-to-32 score from Louisiana College in Pineville. Tech ran up a 16-to-2 early lead that helped greatly after the Wildcats started striking back.

Three losses to Centenary finished the season. The first game here was fairly close at 27 to 22, but the third tilt, played in Shreveport, was easy for the Gents on a 39-to-24 score. In a farewell game on the Tech floor the Bulldogs fought gamely with their traditional rivals but lost 29 to 25 with an extra period deciding the outcome.

Four seniors completed their final season as a member of a Tech basketball team this year and their loss will be felt in the forming of future cage squads for Tech. Bob Baker, Captain Garnet Tipton, Francis Mangham and L. C. Curry were the quartet of players leaving eligibility ranks. The last three entered Tech at the same time from Coushatta high school and were teammates through the four seasons as Louisiana Tech representatives. Baker will not completely pass out of the picture with another year of golf ahead but completed his three years of basketball in the Centenary finale.

Atley Donald, Fred Files, Ben Johnson, Nick Medica, Don Hinton and Charlie Groth were outstanding during the season, and all have one or more years of eligibility on the hardwoods. Donald was the most consistent point maker for the team.

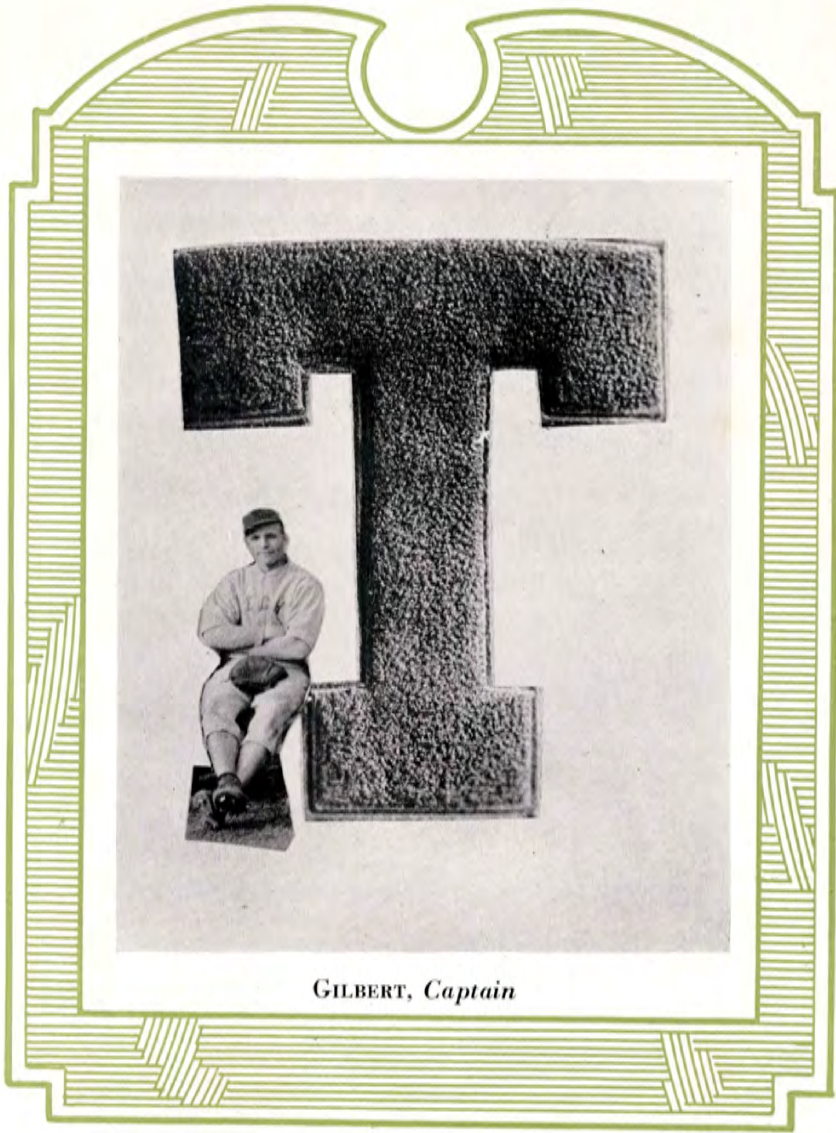

The freshman team fared no better than the varsity, and in four games with Louisiana College and Normal yearling teams failed to register a win.

Baseball

Playing nine out of an entire schelude of 14 games within less than two weeks time the diamond team of 1931 were fortunate in finishing just one game below the .500 mark. Six wins against seven losses

BROWN during the season *1st Base* was a creditable record for a team with none too many twirlers to choose from.

Two out of three games were won from Millsaps and an even break was earned in series with Centenary and Birmingham-Southern. Mississippi College was the lone aggregation to best the Bulldogs in the series during the season.

Opening the season at home, April 5, after an impressive showing against non-conference

nines, the Bulldogs **DAVIS** downed Millsaps 5 to 4. *Pitcher* This win came in the ninth after the Majors had tied the score at four all in their half of the eighth. The second game with the Mississippi visitors was an easy 8 to 0 victory for them. Passeau, star chunker for the Majors, held the Bulldog attack checked to put over the first shut-out.

Starting a long run of games the Bulldog moved over to Mill-saps April 20 to annex their second victory of the season. Atley

DONALD pitched the *Pitcher* Tech nine to an 8 to 1 win in this tilt and added impetus to the victory with a home run and a triple. A second game with the Majors was rained out after

four innings. At that time the Mississippians were leading 4 to 0.

April 22 the Bulldogs visited Mississippi College for a two day stand and lost a pair of games. The first went to the Choc- DONALD, A. taws on a close Pitcher 6 to 5 margin, but

the last was a ragged 17 to 13 win for the Indians. Finishing that week of play, Mississippi College returned here with the Tech squad for a Friday and Saturday series. The first scrap featured the Chocs in their third straight win when they emerged on the long end of a 4 to 1 count of the afternoon. "Lefty" Donald took to the firing pits to beat the Choctaws in the final fracas and was in rare form to win out on a 2 to 1 count. EDENS

Monday following Pitcher the whole week of competition found the Bulldogs again in action and this time Centenary fell victim of Atley Donald on a 5 to 1 count. A one day rest and the Tech nine was again on the battle front and this time opposing a visiting delegation from Birmingham-Southern College. Tech lost the first to the Alabamians 5 to 2 but evened the series in the next day's game with a 3 to 2 victory. GIDDENS

At convenient intervals the Techmen Catcher played three games with Centenary to complete the season and the resulting scores gave the Gents two wins and a tie for

the total matches. The first of the final games was another victory for Atley Donald, when he held the Centenary crew to five scattered hits to turn in a 6 to 1 win.

The next-to-last battle was one of the longest in his-
GRAFTON tory here with Cen-
Outfield tenary winning 7 to
 5 in 13 innings.

"Lefty" Donald had the Gents his way until the eighth and was due a win but had breaks in the form of errors and untimely hits gave the Gents three runs and a tie at five all. Atley relieved his brother in the ninth and fared well until the 13th when Singleton, Centenary pitcher, won his own game with home run, scoring a teammate ahead. Centenary

KELLEY mixed Tech errors to
Pitcher sack the last game by an 8 to 3 score.

The individual wins for Atley Donald as a sophomore pitcher was easily the outstanding point of the season. Heavy stick work by Captain Gilbert, Wick Laurence, "Sport" Grafton, A. Donald and Walpole produced winning runs in many instances. Lettermen for the sport were earned by Bennie Swayze, Davidson Brown, C. J. Gilbert, James Riser, H. M. Donald, Oswald Giddens,

RISER George Grafton,
2nd Base Hugh Walpole, J. R. Kelly and Atley Donald. Brown, Walpole, Giddens, Kelly and "Lefty" Donald completed their years of eligibility as Tech baseball players.

Winning two out of three dual meets, the Tech Thinclads of 1931 turned one of the best track season records in the time the sport has been in the major athletic division here.

Building the team around Captain Weakley, Coach Shirley brought out four sophomores to bring the team through the season. Weakley established a high-point record of all-time for Tech by making 50½ points during the three dual meets and in the district meet.

The first meet of the spring was the usual annual invasion of Louisiana College varsity and frosh teams. In the upperclassmen bracket the Bulldogs won by a 76 5/6 to 32 1/6 points. Weakley won four firsts in the affair to set what is probably an individual record high for one meet here.

Normal, entered in the Tech tracksters schedule for the first time, surprised the bulldogs by turning them back on the lesser end of a 65½ to 51½ point margin.

Several Pups traveled to Natchitoches with the varsity men and eased the upperclassmen's pangs of defeat somewhat by trouncing the Imps 57 to 23 points.

The real makings of the successful season for the varsity was

in the outcome of the third meet in which Southwestern was beaten 60 to 57 points. In the number of years that Tech had been meeting the track delegations of Southwestern nothing close to a victory had been scored, and the '31 Bulldog harriers are justified in proudly boasting of a team rated much their superiors. The climax of the victory of Southwest came in the running of the relay—with the meet hanging in the balance and the winner to be decided. Weakley, Jones, Johnson and Spinks, the quartet of relay runners for Tech turned the trick in taking first in the event and winning the first decision over Southwestern.

At the third district meet Yeldell won the discus championship but in total points the Bulldogs had only 16 1/4—fifth place among the conference teams. Several seconds, thirds and fourths were won by other members of the team. The Pups amassed eight and one-half points in the yearling side of the meet.

Lettermen from the varsity ranks included Frank Cox, Louis Pirkle, Captain Weakley, Berry Yeldell, Don Brown, Willard "Casey" Jones, Francis Mangham, Harold Spinks and Bob Baker.

A Group of Candidates for the 1932 Freshman and Varsity

Completing their regular schedule for four dual track meets without a loss, Louisiana Tech's track and field team of 1932 became the first undefeated cinder squad of the institution.

The brilliant season is an attribute to the excellent coaching of E. M. Shirley, who completed his sixth season here this spring. His proteges performed remarkably throughout the season, and the feat of being the first perfect track record to Tech was the unified efforts and work of both athlete and coach.

Early successes for the team was indicated with the Bulldogs scoring a pair of wins over Louisiana College and Mississippi College. The former institution was the first victim of Shirley's team, and by a record score of 89 to 29 points. Mississippi College was almost as easy, with Tech winner 85½ to 26½ points.

The feature meet of the season was with Normal, and in a close and thrilling affray the Techmen emerged 69½ to 56½ points winner. Southwestern, last foe of the campaign, fell by a 69-to-43 score.

Captain Pirkle, Yeldell, Gilbert, Brown and Moffet were among the high-point makers of the season, with Humphreys, Ben Johnson, Moore, Green, Holmes, McLaurin, Mangham, Heard and Brewer accounting for a number of winning marks and times.

In the freshman division the Pups defeated Louisiana College and Normal, their only two opponents. Hudson, Howell, Lowrey, Cockerham, Durham, Deloney, Williams and a number of yearling performers showed up well in the meets, and will be promising material for next year's varsity team.

All of the meets were held at home, and the only fray for the squad away from home will be the conference meet at Louisiana College.

Minor Sports

Squad: JOHN THURMON, JAMES DAVIS, "BOE" BAKER, "JIM" COLE

Golf

Golf, inaugurated into the Tech athletic family during the spring became the first minor sport of the institution.

A team was selected after forming a Golf club by a 36-hole qualifying round on the Ruston Golf Club's course. The team and their rank in the order named were: Jim Cole, John Thurmon, Bob Baker and James Davis. Fred Preaus, Harold Cheatwood and Randall Holstead qualified for the "squad" with Preaus team alternate. Bob Baker received the honor of being selected captain of the first golf team of Tech's history.

Playing a team match with the L. S. U. golfers on the Ruston course April 1, the Bulldog quartet swept through two foursome and individual match play to win $16\frac{1}{2}$ points to $1\frac{1}{2}$ points. Of the entire team match the Tech team lost only one nine-hole round in individual match and tied in a nine-hole play in one foursome match.

A return engagement with the Tigers and other intercollegiate appearances during the season was planned for the Tech links team.

Major J. P. Cole, acting in the capacity of coach after the team had been chosen out of the cards turned in from the qualifying rounds, also had full charge of arranging the meets for his proteges.

This "infant" sport at Tech has found its place and with all of the present members of the squad likely candidates again next spring the Bulldog golfers will be well on their way to an associational championship.

Boxing Squad

Starting after three athletic teams had drawn heavily from the male element of the student body, boxing attained a surprisingly high degree of interest during the spring quarter.

Director of Athletics G. M. Bohler set fistic work for the college in motion with the purchase of a ring and other equipment. After installation of the rope area in the men's gymnasium Dee Keltner assumed charge of the mitt followers and in the neighborhood of 30 glove artists reported.

Weekly shows arranged by the director proved a drawing card from the very first night and attendance continued to grow from week to week. All the bouts were staged within close weight divisions and along inter-class lines.

Some of the mittmen brought a high degree of skill of the game to college while others with less or no experience at all were given the opportunity of valuable training.

With the greater number of candidates from the freshman and sophomore classes it would appear that Tech could hold her own in inter-collegiate rings next year should athletic officials here decree that boxing should be added as a second minor sport.

The members of the first boxing school at Tech included: L. H. Andrews, N. L. Hower, Charles Groth, T. A. Waters, F. M. Terral, W. J. Avery, H. C. Davidson, Guy Campbell, C. J. Durden, James Montroy, H. A. Rhodes, Frank Tindal, W. L. Hill, J. D. Bice, Bill Kuhnell, Ralph Thomas, M. Anding, Hal Spinks, Carlton Frazier, V. V. Williamson, "Mutt" Bryant, J. C. Baskin, Jack McCoy, Ben Ferguson, Henry Poulan and Herbert Cryar.

Freshman Football Squad

With two wins out of four games the freshman football team was a long way from the undefeated record of their elders, but the yearling eleven made a commendable showing in the face of unavoidable hardships.

When the team was molding into something of an organization Coach Galtin underwent an operation that left the squad without a full-time coach. Taking up Galtin's work, Coach Hal Lee tutored the fresh during the time his services were not demanded from the varsity team. Galtin resumed coaching work before the end of the season.

The Pups won their first game by a close score in turning back a visiting El Dorado Junior College eleven. The next game, with the Mississippi College freshmen at Clinton, Miss., was won by the Mississippians by a large count. In a thriller on the Tech Field the Pups won the third game of the season by putting over a touchdown in the last minute of play with the Louisiana College Kittens. A final game went to a powerful squad at Louisiana Normal but the Pups held the score in closer bounds than was predicted.

Quite a number of linemen and backfield players of the Pup squad will be valuable additions to the varsity next fall and it will be expected of several to fill regular positions in their first varsity season.

The fresh candidates were: C. E. Colvin, James McCarney, Aubrey Russell, Herbert Cryar, Cecil Manry, Thad Waters, J. W. Slade, Wilburn Reagan, Howard Reynolds, J. H. Cockerham, Carl Durden, Vernon Robbins, Julius Gnad, Harold Lowrey, James Brister, Howard McCoy, Burl Williams, Dudley Shell, Henry Thompson, Curtiss Howell, J. E. Coyle, J. T. Green, F. M. Terral, W. G. Daniels, H. J. Smith, W. W. Cupid, J. A. Bowman, J. P. Gimber, O. R. Feeree, W. W. Hudson, Sanders Adams, T. H. Willis, Foster Price and Ben Hodde.

A tie for the ninth place among the men made it necessary to include 10 men on the roll.

Who's Who

These students were chosen to be Louisiana Tech's most outstanding, by a committee of eighteen, composed of six faculty members, six fraternity and six non-fraternity students.

In choosing these students, the committee considered qualities of leadership, ability along certain lines, as scholarship and athletics, and the general all-round value of the individual to Louisiana Tech.

Why Worry?

If you are sick there is only one thing to worry about. If you are well, O. K. If you are sick you still have only one thing to worry about. If you live O. K., if you die you still have only one thing to worry about. If you go to Heaven, it's O. K., if you don't, you will be so busy shaking hands with old friends you won't have time to worry. So why worry?

Some of us were born lucky, others just born.

Did You Know?

Did you know that "Fannie" Mangham was chosen as All Tournament forward in 1926?

* * *

Did you know that "Hick" Files was an All Tournament guard the same year?

* * *

Do you know anything about the Z. A. K. fraternity that was on Tech campus in the winter of 1922?

* * *

Did you know that in '23 they listed the names of those who bobbed their hair, in the college paper here?

* * *

Did you know that matinees at the Astor Theatre in '22 cost 25c, 50c and 75c? Only 10c now.

* * *

Did you know that L. J. Fox was Dean of Men here in '26?

* * *

Did you know that in '26 "Blue" Hogg scored only 60 points during the season as compared to Gilbert's 89 this season?

* * *

Did you know that the score between Tulane and Tech in '23 was only 12 to 7 in Tulane's favor?

* * *

Did you know that the college paper here once had an active Advice to the Lovelorn column?

* * *

Did you know that a single copy of the Spizzerinktum cost 10c?

Don't think your girl's a bargain because she's "half off."

We Nominate for the Hall of Fame:

Owen McCleary: For diligent attentiveness.

Johnny Moffett: For studiousness.

Leslie Brewton: For pugilistic ability and success in less primitive fields.

Fannie Mangham: For veracity.

"Hick" Files and "Doc" Jarrell: For kindness to the younger generation.

W. J. Avery: For "knowing how to handle women."

Mr. Sachs: Because he's from Chicago.

Merrel Cox: Because he never brags.

Coach Bohler: Because he always keeps his classes till the last bell.

"Peaches": For ability to stay in school longest.

"Palmer": For winning the loving cup.

"Speedy" Reynolds: For sales ability at "Y" store.

"Gabe" Durham: For fire-fighting ability.

Royce Johnson: For "lady-killing" ability.

Myrtle Braswell: For mathematical reasons.

Maureen Fowler: For man-hating.

"Rod" Gatlin: For his resemblance to Rudolph Valentino.

"Short Bubba": For walk (with apologies to Charlie Chaplin).

Sallie Jones: For proficiency in campusry.

"When Adam, in bliss,

Asked Eve for a kiss,

She puckered her lips with a coo,

With looks quite ecstatic,

She answered emphatic,

I don't care, Adam, if I do."

"After college, what?" thundered the commencement speaker.

"Vacation," yelled a frosh in the front row.

The height of optimism: Dee rubbing vanishing cream on his bay-window.

Mr. McGinty, at close of term: "Any questions?"

"Red" Durden, just waking up: "What course is this?"

The City of Ruston

EXTENDS HEARTY GREETINGS TO TECH'S FACULTY,
STUDENT BODY AND THEIR FRIENDS

The present city administration is, indeed, proud of Louisiana Tech, its efficient faculty, and the student body. We feel grateful that the young people of this community are in position to receive either the School of Arts and Science course or the School of Engineering course, and that they may secure either the Bachelor of Arts or the Bachelor of Science degrees. We are also proud of the fact that Louisiana Polytechnic Institute is a member of the Association of American Colleges and of the Association of Colleges and Secondary Schools of the Southern States.

It will always be the pleasure of the city administration to cooperate with Tech along any lines that might bring about advancement and harmony between the city and the school.

We realize that this institution of learning is a wonderful asset to our city, and we take pleasure in pledging our support toward the buiding of a bigger and better Louisiana Tech and surrounding community.

Nov. 21—Fannie stops studying.

Nov. 30—Holiday by general consent.

Dec. 10—Willard Cobb passes someone without speaking.

Dec. 20—T K N's finally find a sap and pledge him.

Jan. 4—Much illness on day after holidays.

Jan. 23—No bone stew in chow hall.

Feb. 3—Elsie Ingram goes to house meeting.

Feb. 17—Mr. Ford misses a class (later found to be only a rumor).

March 1—Windy month comes. Optometrist busy.

March 6—Walter Bowman doesn't have a date with Kathleen.

March 8—Johnny Moffett returns to school. Frosh girls get thrill of college career.

March 15—Strange malady invades campus. Ten brunette heads turn red over night.

March 23—C. J. Gilbert launches into business of consoling broken hearts.

April 1—Biggest day of year: President Bond declares holiday; Miss Burk announces classes in "Neckology" and "Campuistry"; Billie Mays has a serious thought; Mr. Jenkins comes to school wearing a dirty collar; Miss Graham announces that library will be turned into a social hall. No one asks when annual is coming out. Ray Rogers goes by Tech Talk office. Naw, we don't believe it either.

April 4—Seven hundred eighty-ninth student asks when the annual is coming out.

April 5—That student is buried.

April 22—Dr. Hilman announces he has organized an orchestra and it is now open for dance engagements.

April 23—A student asks when the annual will be out.

April 29—(Ditto).

April 30—(Ditto).

May 2—Readers of Tech Talk note this item: "Annual editor leaves town just three jumps ahead of irate posse composed of former friends and classmates. Last persons to see him say he was evidently dangerously insane."

Bolton: "What's good for malaria?"

Clyde R.: "Whiskey."

Bolton: "Where do you get it?"

C. R.: "What?"

Bolton: "Malaria."

Van Dalsem: "Do you believe in petting?"

Atley: Depends on who the party is."

Heard from a nearby town:

"Any ladies at the party?"

"Naw, they were all from Tech."

Howard L.: "Yea, we were sure out with two 'Quaker' girls last night."

Ben F.: "'Quaker' girls?"

H. L.: "Sure, they knew their oats."

Cox, just finishing a piece on his trumpet: "What was that we just played?"

Bernice Chambless: "Oh Mr. Fox, you can't flunk me; I'm insane."

Dot. Harrell: "I want some notebook paper."

Mr. Howard: "What size?"

Dot. H.: "Oh, it doesn't make any difference as long as it fits."

Hower: "What can you make in your car?"

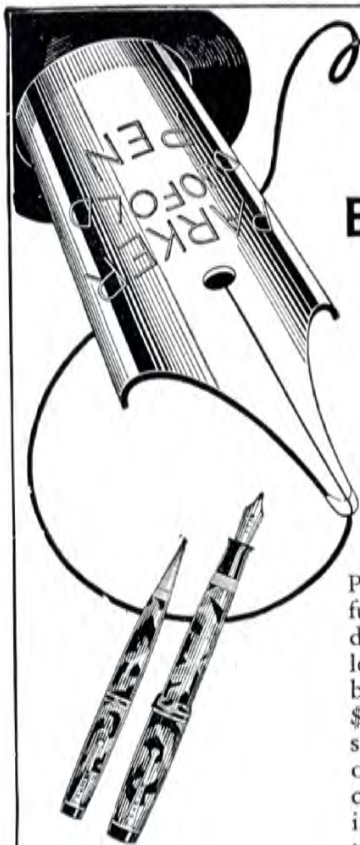

Hardy: "You mean miles?"

Why do they call certain girls "Old Gold" diggers?

Minnie Humphreys: "I think Napoleon was a much greater soldier than Bonaparte."

Mr. McGinty: "But they were identical."

Minnie: "That may be. But I believe that Napoleon was the more identical of the two."

Bill Collector: "Does Pat Ratcliff, a student, live here?"

Landlady: "Yes, but I thought he was a night watchman."

"Are you a frat pledge"?

"No. I just backed into a stove."

"They're calling certain co-eds 'suicide reds' now, dyed by their own hands, you know."

Tip: "What kind of oil do you use in your car?"

Berry Yeldell: "Oh I usually begin by telling them I am lonely."

Dearest:

The great love I have to express for you is false, and I think my indifference toward you increases daily. The more I see of you, the more you appear in my eyes an object of contempt. I feel myself in every way disposed and determined to hate you. I am assured that I never intended to love you. Our latest conversation has left an impression in my mind which by no means impressed me of the high standard of your character.

Your temper would make me entirely too unhappy and if you and I were united I would expect nothing but the hatred of my friends, added to this the everlasting displeasure of living with you. I have indeed a heart to bestow, but I do not desire you to imagine it at your service. I could not give it to one more inconsistent and capricious than yourself and be capable of doing justice to myself and my family. I think you are aware of the fact that I speak sincerely, and you will do me the favor of avoiding me. You need not trouble yourself about answering this letter, as your letters are always full of impertinence and have not a show of wit and good sense. Believe me, I am so averse to you that it is impossible for me to be,

Your affectionate sweetheart,

P. S. I knew you would be so curious you would read all of this letter. I only intended every other line. Read it over.

Jotting in Our Own Memory Book

*I have a room where-
into no one enters
Save I myself alone;
There sits a blessed
memory on a throne,
There my life centers.*

EVEN a printer has senti-
mental moods. We like our
calling. No craftsman's guild
ever held more romance than is
cherished by folks who execute
the printed word and the illus-
trated page. A prosaic lot, per-
haps, as seen in ordinary life, but
in the days that come and go the
printer sees reflected in his work
many phases of human life and
activity.

And the brightest spot in the
remembrance of it all is the task
of piecing together page by page
such a book as this that will re-
main long in the heart of its
owner.
