

# SCIENCE SEMINAR

Thursday, October 17 - Carson Taylor Hall 322

## Dr. Benjamin Blass

Assistant Professor of Medicinal Chemistry

Temple University School of Pharmacy

Moulder Center for Drug Discovery Research - Philadelphia, PA

### **“There and back again: A Chemist Tale & The Lord of the Ring Stands”**

Students at universities and colleges are focused on achieving their degrees, but often wonder where their careers will take them once they leave the confines of the academic world. While some people's careers are straight lines through to retirement, others are wandering paths that lead to unexpected outcomes and opportunities. In an effort to provide some insight into life after school. This lecture describes Dr. Blass's career journey over his 25+ year career and highlights some of the lessons he learned along the way.

**Come at 3:30pm for refreshments, speaker at 4:00pm**
