LAGNIAPPE 1978

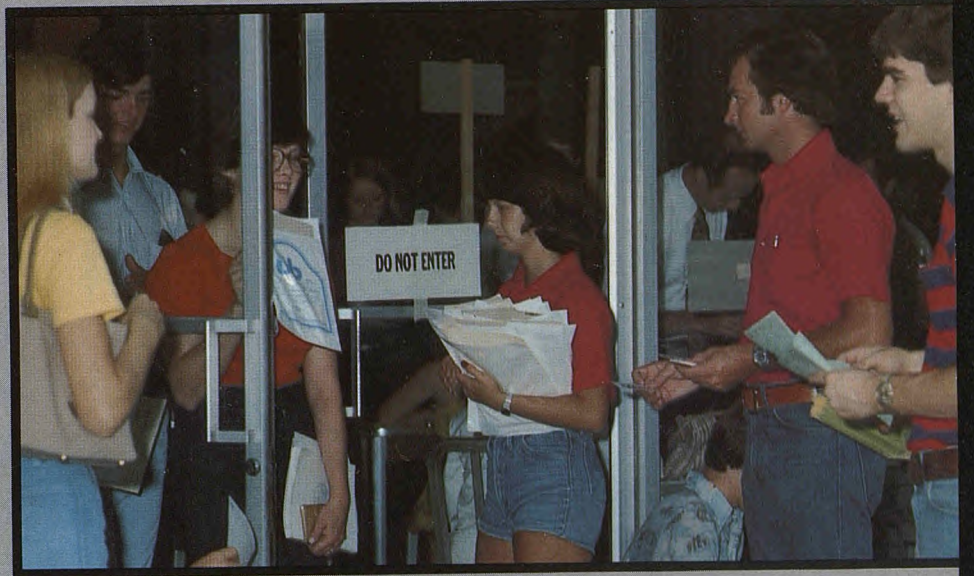

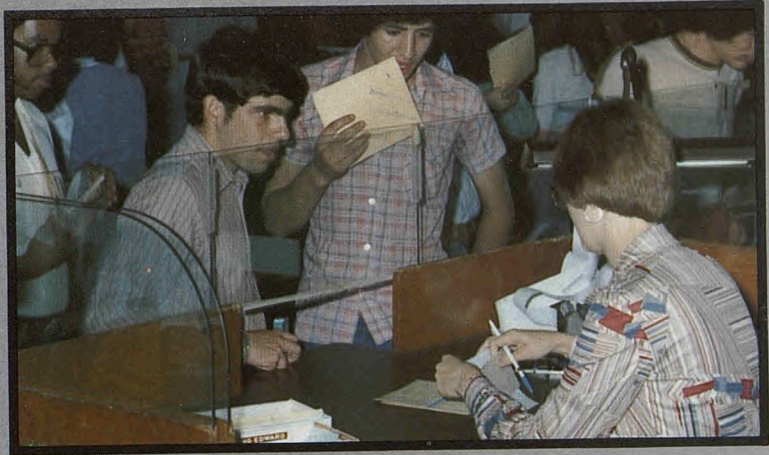

A nighttime photograph of a building at Louisiana Tech University. The building is illuminated from within, showing a series of arched windows. In the foreground, there are several streetlights and trees. The scene is dark, with the lights providing the main illumination. The text '1978 LAGNIAPPE Louisiana Tech University Ruston, Louisiana' is overlaid on the right side of the image.

President and Mrs. F. Jay Taylor

Dr. F. Jay Taylor

Now completing his 16th year as president of Louisiana Tech University, Dr. Taylor finishes this year with many new academic programs and \$26 million in construction projects.

Dr. Taylor is not only active on campus, but he also has many off-campus activities. Some of these include: national president of the Air Force Reserve Officer Training Corps Advisory Board, a member of the commission of the Southern Association of Colleges and Schools, the author of two books and the winner of a regional photography contest.

Since Dr. Taylor has been at Tech, the university has extended from Ruston to Rome, Wylly Tower has been built, the school has achieved university status, doctoral degrees have been added and the enrollment has more than doubled in size.

George W. Byrnside, Administrative Affairs

Vice Presidents of the University

The successful operation of Louisiana Tech is due largely to its excellent administrators. Three of these administrators are Dr. Virgil Orr, Vice President for Academic Affairs; Mr. George W. Byrnside, Vice President for Administrative Affairs; and Mr. Stanley X. Lewis, Vice President for Student Affairs. Dr. Orr heads all academic departments. Mr. Byrnside is in charge of the Comptroller's Office, the Food Services and the bookstore. Mr. Lewis has the distinct job of handling the students, their housing, their placement, and, in short, their lives. Each of these men is truly dedicated to his work. Louisiana Tech benefits daily because of them.

The girls are: Terri Geter, 4th runner-up; Connie Williams, 3rd runner-up; Rhonda Marionneaux, Miss Tech 1976; Glenda Echols, Miss Tech 1977; Kimi Mittleman, 1st runner-up; Jenny McKeithen, 2nd runner-up; Karyn Martin, Miss Congeniality.

State Fair Court

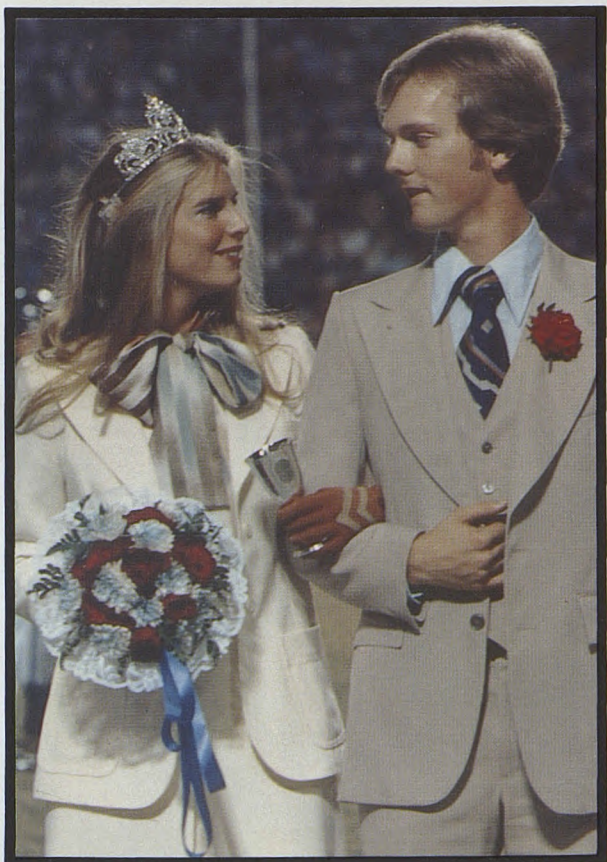

Standing: Annette Rich, Sue Stephens, Ruth Ann Galatas, Jacque Pharis, Linda Southern. **Seated:** Teresa Gray, Rae Lynn Woods, Denise Kent (Queen), Debbie Stephens.

Tech's State Fair Weekend was a time of fun-filled events and memories. The week before the game was designated for special activities . . . the Red-Blue Day, the Demolish the Demons Day and the Pep Rally Day. At the Pep Rally the State Fair Court was presented, Dr. Taylor crowned the queen and a bonfire was lit to burn the Northwestern Demon.

Denise Kent, Tech's State Fair Queen, was escorted by Gary Sanford at the football game. Many Tech students enjoyed the atmosphere of Shreve Square and the La. State Fair before the game.

The week was highlighted by the "Rally in the Alley" in Shreve Square, the Fair and the victory over Tech's football rival, Northwestern State University.

Many Tech fans and alumni gathered in Ruston on Oct. 29 for the annual Tech homecoming game and activities.

Homecoming week proved to be an exciting one for the Tech student body and faculty. Among the many events for the week included a poster contest, a display contest and a pep rally.

Wesley Foundation, with its movable spaceman, won its division in the display contest.

The Homecoming Game itself was full of surprises. Before the game the parachute team gave an air show and the Homecoming Court was presented with both student and alumni escorts. Jane Oakes was crowned as queen of the 1977 Homecoming Court.

At half-time Prayer for Patti balloons were released. The balloons were sold before the game to aid in hospital expenses of a former Tech student.

ORGANIZATIONS

Arnold Air Society

The Arnold Air Society is an honorary service fraternity that is formally affiliated with the Air Force Association. The objectives of the AAS are: (1) To aid in the development of effective Air Force officers. (2) To create a closer and more efficient relationship within the Air Force Reserve Officers Training Corps. (3) To further the purpose, traditions and concepts of the United States Air Force. (4) To support aerospace power and its role in national security. (5) To advance air and space age citizenship.

The Arnold Air Society at Louisiana Tech is the O'Donnell Squadron in honor of Gen. Emmett O'Donnell. It is limited to selected cadets who demonstrate outstanding academic and leadership traits.

The main responsibility of the national headquarters is to set the directives and further the mission of Arnold Air Society. Any action taken affects the entire society. The national staff felt that they had carried out the mission of Arnold Air Society and that this year was one of the best for the society.

Arnold Air Society Officers: Front Row: Keith Rumohr, chaplain; Gary Transmeier, administration officer; Kevin Cloud, historian; Richard Braud, vice-commander; Ryall Smith, information officer; Sarah Smith, concessions officer; Joey Toler, adjutant recorder. Concert Choir

Students are selected as members of Concert Choir by their outstanding performance during auditions. This choir represents the finest in choral singing on

campus. Musical highlights of the year included the presentation of Poulenc's **Gloria** and a spring tour to Mexico.

Front Row: David Brumfield, Tina McPherson, Terri Ferrington, Dr. Robert Ferrington (director). **Second Row:** Tim Johnson, Sherri Ferrington, Terri Allen, Alan Toms, Tony Boutte. **Third Row:** Troy Barrios, Robin Hall (pianist), Paula DeSalvo, Terry Warner, Susan Smith, Keith Brumfield. **Fourth Row:** Bonnie Curry, Cindy Houek, Carla Sasser, Donna Brown, Eddie Smithy. **Fifth Row:** Eric Carter, Dorothy Smith, Cindy Calhoun, Pam Trisler, Cindy Pollock, David Branner. **Sixth Row:** James Kitchens, Rancee Martin, Judy Clement, Nancy Boykin, Connie Boggs, Kathy Turner, Fran Noonan. **Back Row:** Carl Boykin, Don French, Rick Owens, Mack Blake, Mark Frusha, Jeff Weber.

Dietetic Association

The L.T.S.D.A. participates in the objectives of the American Dietetic Association. It also provides for the professional and individual development of Dietetic Students. Membership is open to college students who are interested in Dietetics. This interest and the payment of yearly dues are the criteria for member-

ship. Students enrolled in Dietetics complete their undergraduate education through the Coordinated Undergraduate Program in General Dietetics. The courses for the senior year of the program are offered in clinical facilities in Shreveport, La.

Front Row: Officers: Bennie Bell, secretary-treasurer; Cindy Scorson, president; Lori Barker, vice-president; Cheryl Calcote, publicity chairman. **Second Row:** Mrs. Janet Wright, advisor; Carol Craddock; Babette Gilman; Candy Batey; Terri Lassiter; Johann Giffin; Tracy Oliphant. **Back Row:** Janet Pope; Jean Levert; Gertrude Gates; Deborah Harris; Laura Cordaro; Chester Bryant.

International Students Association

The ISA is open for membership to all students at Louisiana Tech. Its main concept is to promote a better understanding among the American students and the foreign students. The organization achieves this by activities programmed according to the member's interests. Among its activities this year was coopera-

tion in summer orientation for American and foreign students, a party for visiting Mexican students, a Christmas party, a trip to Houston, transportation to the Natchitoches Christmas Festival and acting with a number of Ruston citizens in promoting an International Day.

Members: Back to Front: Barbara Bryant, (activities and communications chairman), Mario Chirinos, Douglas Chirinos, Omar Ramirez, Mario Ruiz, Ali Multtardi, Alberto Bermudez, Gerleine Schoonover, Mohamad Medaries, Janine Svigel, Janeira Bravo, Ramon Trias, Suni Suarez, Roberto Carajal, Erasmo Suakez, Juan Bermudez, Renee, Victor Uribe, Nora Araujo.

Lagniappe Editor and Advisers

In November, 1977, Ron White, associate professor of journalism, was named adviser to the Lagniappe, and Albino Hinojosa, director of campus graphics, was named assistant adviser. The Lagniappe was placed under the supervision of the Journalism Department following the resignation of Mr. Kenneth Hewins.

The staff was enlarged, doubling in size, and editors were named for the school year.

In addition to work by staff members, the following persons assisted by supplying photographs: Steve Rodakis, Office of Special Programs; Bryan Rockett, Creative Photography; O. K. "Buddy" Davis; Keith Prince, Sports Information Director; The Tech Talk; The Journalism Department; Scot Smith; Bruce Odell; Wes Fiantt; John Dennison; Brent Chance; Andy Reeves; Sandy Mobley; Mark Taylor; Tim Smith; and Frank Johnson.

K. F. Hewins

This year the Lagniappe staff lost a great asset to the organization. K. F. Hewins, who had been Lagniappe adviser since its origin at La. Tech, resigned from his position with the yearbook.

After getting his B.A. and M.A. degrees in journalism from Indiana University, Hewins came to Tech in 1929 as the Director of Publications and Head of the Journalism Department. He not only began the department, but he established The Tech Talk, the Lagniappe, and the News Bureau on the Tech campus.

In 1968, Hewins retired from the Journalism Department, but continued to serve as adviser for the Lagniappe until November, 1977.

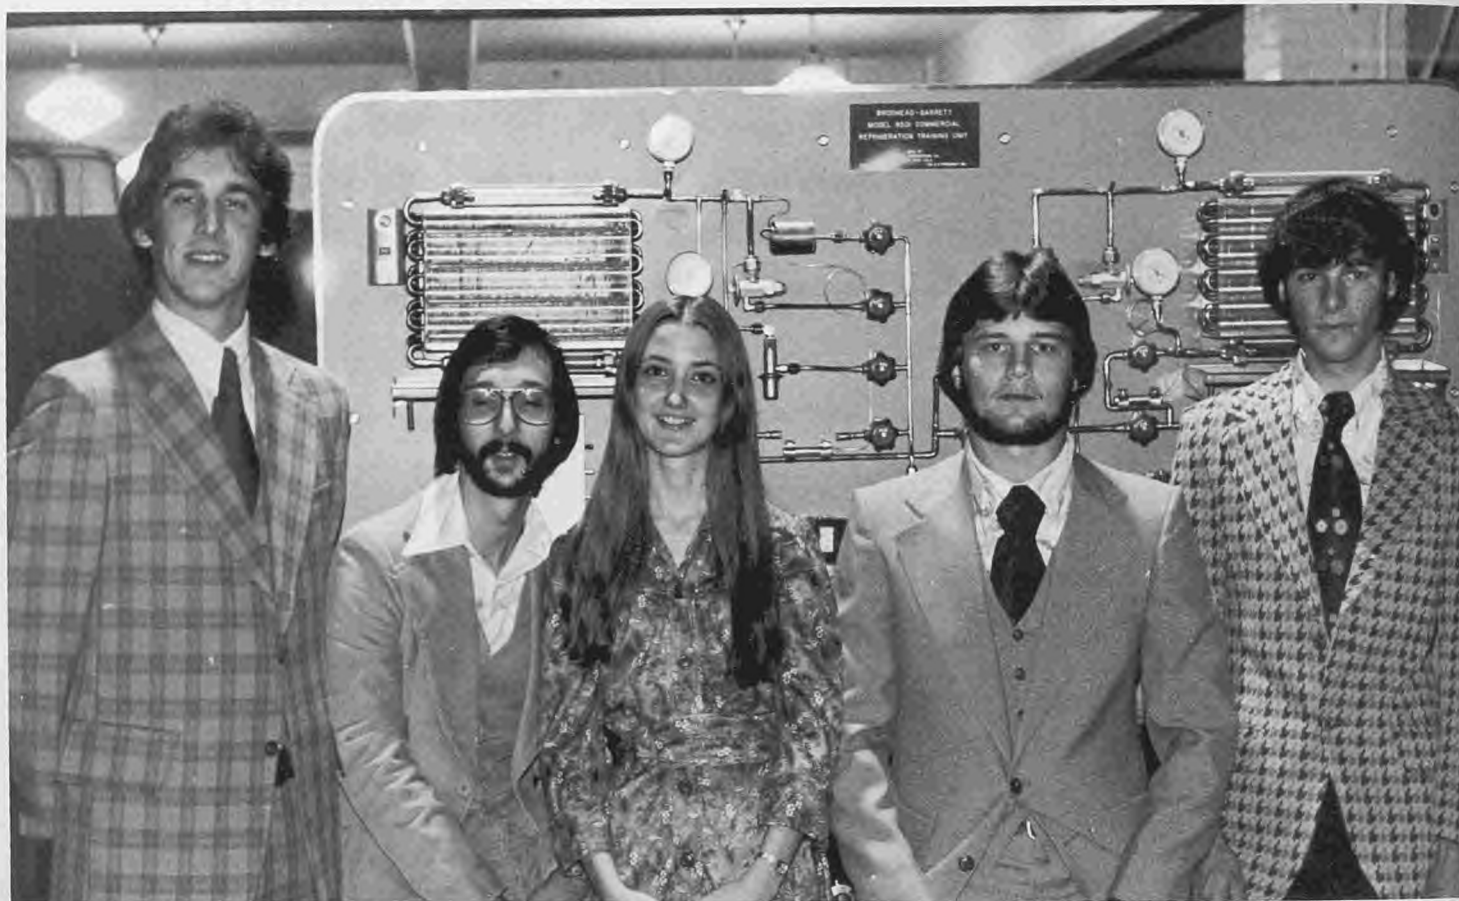

Louisiana Tech Engineers Association

The Louisiana Tech Engineers' Association is composed of all the students in the School of Engineering. Its governing body is made up of four executive officers selected by vote of the entire group, plus the president, vice-president and one delegate from each of the six departmental organizations — AIChE, ASCE, IEEE, ASME, SPE of AIME and the editor of the Tech Engineer.

The association was formed in 1934 for the purpose

of promoting interest and a spirit of friendship in the School of Engineering, as well as acquainting prospective students with the engineering profession.

Engineers' Weekend is the highlight of the year's activities. It involves both group and individual projects and exhibits with prizes being awarded for the best of these. The crowning of the queen and presentation of various faculty awards culminates the weekend's activities.

Officers: Gary M. Seymour, athletic director; Jimmy Potts, president; Martina Blackwell, secretary-treasurer; Robert Grimes, publicity chairman; Clift Norris, vice president Engineers Week.

Members: **Front Row:** Jimmy Potts, Elizabeth Brock Reynolds, Martina Blackwell, Michelle Hampton, Robert Grimes. **Back Row:** Jeff Wadsworth, Mark LePire, Joseph Giles, Gary M. Seymour, Mat Taylor, Michael Cloud, Richard Ferguson, Richard Leeth, Justin Hincley, Eddie Darling, Clift Norris.

Opera Workshop

The Louisiana Tech Opera Workshop was established in 1975 under the direction of Dr. Schuman Yang. During the past two seasons and in 1977, the Workshop has produced excerpts from Mozart operas: **The Magic Flute**, **Don Giovanni**, **Marriage of Figaro** and **Cosi Fan Tutti**. Excerpts from Douglas Moore's **Ballad of Baby Doe**, Smetana's **Bartered Bride** were also included in the workshop's past productions. Alpha Beta Alpha

Alpha Theta Chapter of Alpha Beta Alpha, national library science undergraduate fraternity, was installed at Louisiana Tech in the fall of 1966.

Its purposes are to further the professional knowledge of its members, to promote fellowship and to serve as a recruiting agency for librarians.

Activities sponsored during the school year included visiting special libraries in Shreveport, reading to the elderly, having Jack Painter as guest speaker, and a few social events.

Officers: Seated on Floor: Deb David, corresponding secretary. Seated: Peggy Mathis, president; Suzonne Kirkley, vice-president. Back Row: Jeanette Jarrell, treasurer; Judie Blalock, recording secretary; Kay Haynes, reporter.

Alpha Epsilon Delta

Alpha Epsilon Delta is a national honor society for pre-medical and pre-dental students. It was founded at the University of Alabama on April 28, 1926. There are over 46,000 members of 112 chapters active throughout the United States.

The objective of the society is to encourage excellence in pre-medical work and scholarship, to stimulate an appreciation of the importance of pre-medical education for the study of medicine, to promote cooperation and contacts between medical students, pre-medical students and educators in developing an adequate program of pre-medical education and to bind together students with similar interests.

Alpha Kappa Psi

Eta Tau chapter of the professional national fraternity of Alpha Kappa Psi was chartered on February 12, 1967. Alpha Kappa Psi is the oldest professional fraternity in business, being founded in the School of Commerce, Accounts and Finance at New York University on October 5, 1904, because of the desire of ten students to aid their alma mater.

The objects of Alpha Kappa Psi are "to further the individual welfare of its members; to foster scientific research in the fields of commerce, accounts and finance; to educate the public to appreciate and demand higher ideals therein, and to promote and advance institutions of college rank, courses leading to degrees in business administration."

American Institute Of Architects

The organization's purpose was to enlighten and enrich the architectural student in the various fields of architecture. The organization gave the student a professional outlook on his own career as a businessman, consultant, or designer. Functions included presenting professional architects to speak, field trips to architectural firms or buildings, acquiring equipment for class room purposes, and sponsoring social functions.

American Institute of Industrial Engineers

Organized in 1957, the Louisiana Tech chapter of the American Institute of Industrial Engineers provides industrial engineering students with the opportunities to begin professional associations and development of professional pride.

The chapter sponsors several social activities, par-

ticipation in intramural sports, field trips, joint meetings with the NOWELA chapter, participation in Engineer's Week (The Rough-Turned Shaft), and attendance at the regional convention of student chapters.

Members: Seated: Sharon Ray, secretary; Mike Cloud, president; Stan Whitman, vice-president; Dale Greer, treasurer; Moses Eze, Lee Maurin, Pius Egbelu, Nelson Perez, Robert Grimes, Dan Asbury, Harley Nethken, Richard Ferguson, Bill Sales.

American Society of Agricultural Engineers

Organized in 1954, the Louisiana Tech Student Branch of the American Society of Agricultural Engineers seeks to afford an opportunity for students in the department to acquaint themselves with topics of interest in the field of agricultural engineering and to promote development of a professional spirit. These objectives are attained by sponsoring technical speakers, field trips and socials including a gumbo supper and the annual Spring Banquet. The La. Tech Student Branch of the A.S.A.E. is a member of the La. Tech Engineers' Association and actively participates in Engineers' Week.

American Society of Civil Engineers

For “. . . the advancement of the science and profession of engineering.”

Student chapters of the American Society of civil engineers were first formed in 1920 and since that time have served civil engineering college students by rounding out their professional training.

The main objective of the student chapter is to help the student prepare himself for entry into the civil engineering profession and society.

The student chapter helps the student begin the professional contacts and associations which are so valuable to the practicing engineer.

In addition, the chapter is a good medium for exercising principles of personal and public relations.

Officers: Kim Sumrall, treasurer; Michael Mellon, director of public relations, Bryant Hammett, athletic director; Michael McGaugh, vice-president; Michael Killgore, president; Dr. Bobby E. Pace, faculty advisor.

Members of the La. Tech chapter of the American Society of Civil Engineers.

American Society Of Mechanical Engineers

Officers: Professor G. J. Trammell, faculty adviser; Bill Eustes, chairman; Steve Rodgers, vice-chairman; Cindy Engh, secretary; Rick Leeth, LTEA representative; Quincy Alrod, treasurer.

This year has been the best for the La. Tech student chapter of the ASME. Our purposes are "the dissemination of knowledge of the theory and practice of mechanical engineering, the presentation of a proper perspective of engineering work, and the opportunity to become acquainted with the personnel and activities of the society as well as to promote a professional awareness and fellowship."

This year broke all membership records and our activities show this. We have had many excellent guest speakers at our meetings, and have also gained valuable knowledge and experience from field trips to the waterways experiment station in Vicksburg and to Houston. Socially, we've had our share of barbecues and shrimp boils. And, of course, we are always involved in Engineers Week, the LTEA and the region X conference. We feel we have succeeded very well in our purposes this year, and we hope that next year will be even better.

Art And Architecture Association

The Art and Architecture Student Association (AASA) was formed in Winter 1974 by the late Dr. Raymond Nichols, then director of the School of Art and Architecture. He proposed that a \$10 fee be assessed by the students, the proceeds of which would be spent by the students for speakers, shows, films and materials.

In the three and a half years since this proposal was accepted, the AASA has forged ahead as one of Tech's finest and largest student organizations. Such speakers as Amy Freeman Lee, John Sellers, and Fay Jones have conducted lectures here. Fellini's "Amacord," Borgman's "Cries and Whispers," and Trauffaut's "The Story of Adele H" are just three of the fine foreign films that the AASA has co-sponsored with the Union Board.

The Annual Spring Arts Festival which the AASA has held for the past three years has brought noted lecturers from all parts of the United States. The pivotal event of the festival is the wide range of art that the students exhibit.

The AASA is unrelenting in its constant search for cultural expansion that is here for all Tech students to enjoy.

Association of Biomedical Engineers

The Association of Biomedical Engineers is available for students to become better acquainted with each other, their faculty and their field. This concept of professionalism is brought about through social activities, intramural sports, notable speakers and field trips.

This year's activities included a trip to the Naval Aerospace Medical Research Laboratory at the Michoud NASA Facility in New Orleans. Social activities included the annual goat roast and crawfish boil. Other activities included Engineers Week, projects and several seminars given by prominent outside speakers.

Association for Computing Machinery

The Association for Computing Machinery (ACM) was founded in 1947 as the computing community. The ACM assists the members in maintaining a close, regular association with fellow students and faculty also interested in computing.

Periodic meetings provide a combination of social interaction, professional dialogue, public service and information about career opportunities, professional developments and current research.

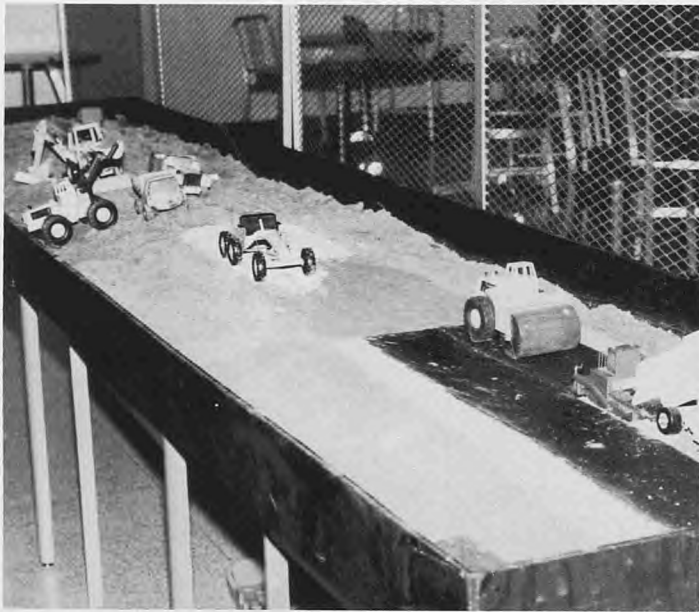

ACM Officers: Jim Wingate, vice president; Michelle Hampton, LTEA representative; Dr. Charles Schroeder, advisor; Kathy Turner, secretary; Charles Baugh, treasurer; Justin Hincley, president; Gene Wallace, advisor.

Beta Alpha Psi

Alpha Chi chapter of the national fraternity of Beta Alpha Psi was established in May, 1956. Beta Alpha Psi is a national professional and honorary fraternity, the purpose of which is to encourage and foster the ideal of services as the basis of the accounting profession; to promote the study of accountancy and its highest ethical standards; to act as a medium between professional men, instructors, students, and others who are interested in the development of the study or profession of accountancy; to develop high moral, scholastic, and professional attainment in its members; and to encourage cordial relations among its members and the profession generally.

Cindy Thomas, secretary; Dr. John E. Shaver, advisor; Curt Stone, president.

Front Row: Bruce Hadwin, Steve Hedgepeth, Cindy Thomas, Millie Ostrom, Curt Stone, Jack Brogdon. **Second Row:** Dr. Shaver, Jeri Sue Smith, Teddi Crutchfield, Laurie Main, Ed Coats, Kathy Blankenship. **Third Row:** Charlie Skinner, Andy Hogg, Karen Dyson, Randall Ross. **Fourth Row:** Doug Harrell, Pryor Lindsey, Terry Watson, David Darland, Randy Fowler.

Beta Gamma Sigma

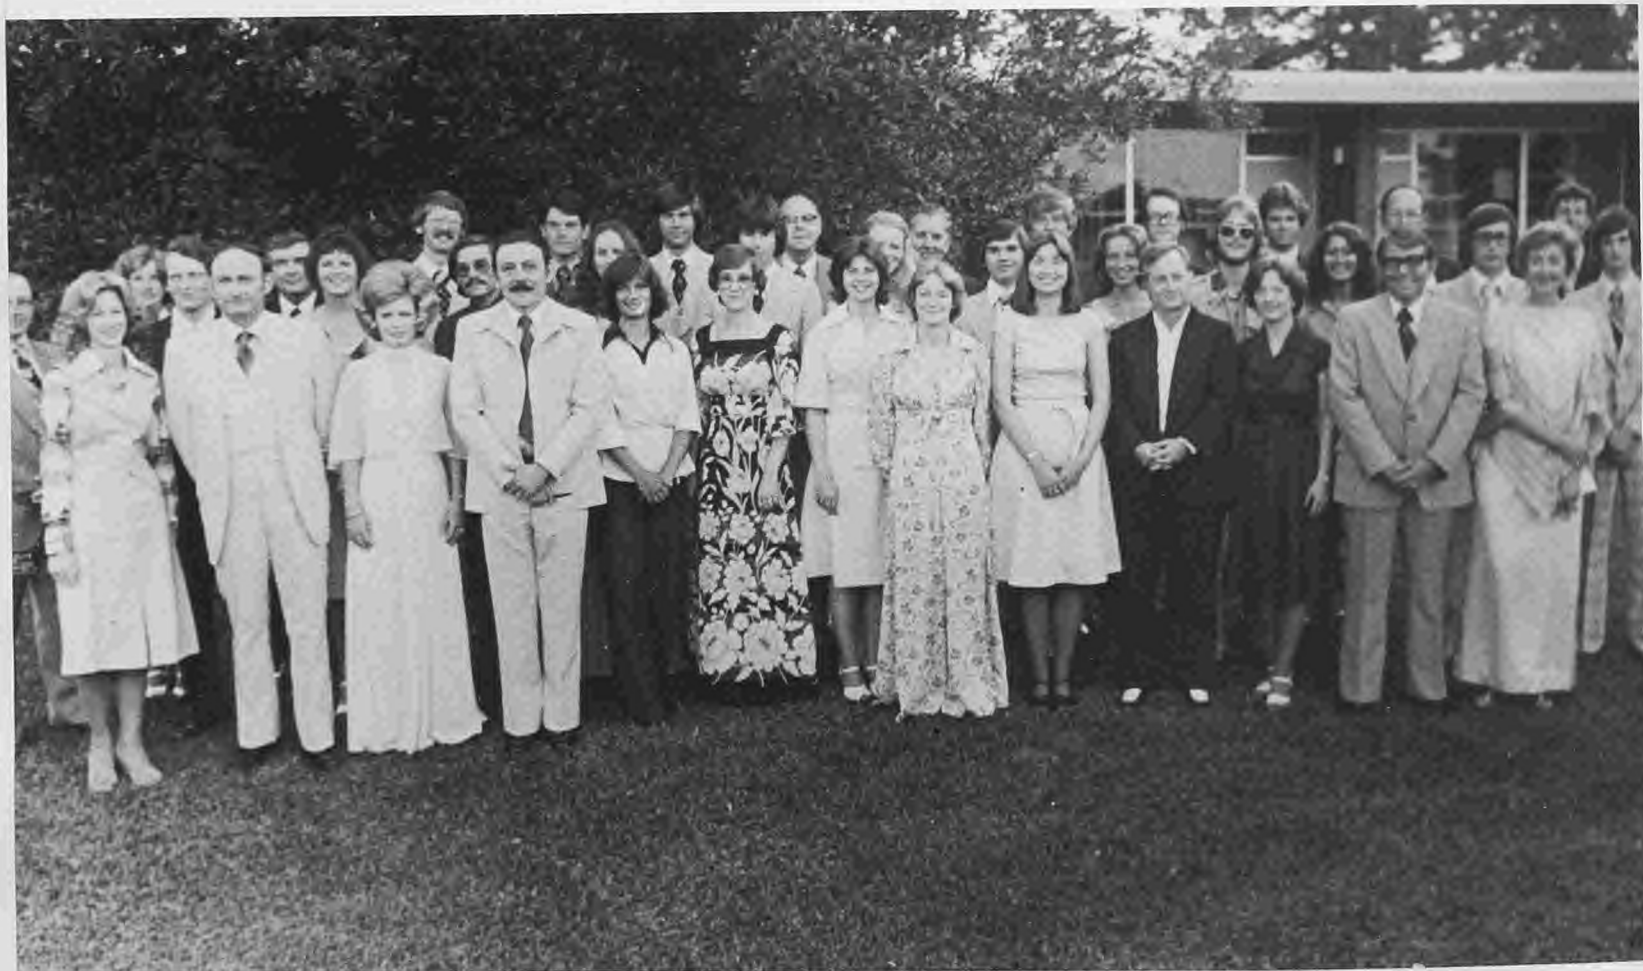

Membership in Beta Gamma Sigma is highly respected because this is the only national honorary scholastic society which is approved and sponsored by the American Assembly of Collegiate Schools of Business, the national accrediting association for schools of business.

The purposes of the society are "to encourage and reward scholarship and accomplishment among students of business and administration, to promote the advancement of education in the art and science of business, and to foster integrity in the conduct of business operations."

Election to membership in Beta Gamma Sigma is

the highest scholastic honor that a student in business administration can achieve. To be eligible for membership, students must rank in the upper 5 percent of their junior class or the upper 10 percent of their senior class, or rank in the upper 20 percent of those receiving master's degrees. Doctoral students who have completed all requirements for that degree may be elected. This election of members is held during the spring term for the year.

The 1977-78 officers are: Dr. John E. Shaver, president; Steven L. Jagers, vice president; and Mrs. Barbara H. Denton, secretary-treasurer.

Front Row: Donna Marie Sicks, Dr. Jarrett N. Hudnall, Mrs. Susan C. Corley, Dr. James N. Mangum, Lucy Nell Ward, Mrs. Barbara H. Denton, Susan Renee Strickland, Ruby Mae Felton, Eileen E. Chi Epsilon

Officers: Andy Craig, secretary; Randy Tolson, editor; David Williams, president; Bryant Hammett, treasurer. **Not Pictured:** Joe Sydes, vice-president; Clarence Martin, marshal.

The Louisiana Tech University chapter of Chi Epsilon Fraternity was initiated in March of 1976. Formerly represented on the campus as the Civil Engineering Honor Society, the chapter has actively participated in several community service projects. Chi Epsilon, founded in May of 1922, is dedicated to the purpose of maintaining and promoting the status of Civil Engineering as an ideal profession. Chi Epsilon was organized to recognize the characteristics of the individual civil engineer deemed to be fundamental to the successful pursuit of an engineering career, and to aid in the development of those characteristics in the civil engineering student.

Council for Exceptional Children

The student chapter of the Council for Exceptional Children was started at Louisiana Tech in 1973. Since that time it has worked for the advancement of the education of exceptional children and youth through public awareness and acceptance of exceptional children, professional growth, recruitment to the profession, services to children and professional fellowship and exchange of ideas. Members consist mainly of special education and speech and hearing majors, although anyone is eligible for membership.

Officers: Seated: Susan Sanders, treasurer; Wendy Morgan, secretary; Terry Miller, president; Sharon Armstrong, vice president. **Standing:** Mrs. Elyda Elwinger, faculty advisor; Dr. Tom Lolley, faculty advisor.

Data Processing and Management Association

Now in its fifth year, the Student Chapter of Data Processing Management Association is affiliated with the largest processing and computer management community.

The purpose of the student chapter is to foster a better understanding of the business role of data processing among students. The chapter is open to all students who have expressed a sincere interest in the art and science of data processing management.

Standing: Mr. Fowler (advisor), Randy Layfield (president), Mike Lineback (treasurer). **Seated:** Susan Shaw (secretary), Teresa Woodard (parliamentarian). **Not Pictured:** Clarie Hinton.

Delta Sigma Pi

The broad scope of Delta Sigma Pi is exemplified in its purpose "to foster the study of business in universities, to encourage scholarship, social activity and the association of students for their mutual advancement by research and practice; to promote closer affiliation between the commercial world and the students of commerce; and to further a higher standard of commercial ethics and culture and the civic and commercial welfare of the community."

Fraternity members are chosen from students in the College of Administration and Business who have a grade point average higher than the overall men's average in that college.

Beta Psi chapter has completed its 29th year at Tech and looks forward to its continued growth as an outstanding business fraternity. Beta Psi was founded on May 15, 1948, with the assistance of Dean Burton Risinger.

Eta Kappa Nu

The members of Eta Kappa Nu, those majoring in electrical engineering, by their attainments in college or in practice, have manifested a deep interest and marked ability in their chosen life work. As a member in Eta Kappa Nu, one may be brought into closer union so as to foster a spirit of liberal culture in the engineering colleges and to mark in an outstanding manner those who, as students in electrical engineering, have conferred honor on their alma mater by dis-

tinguished scholarship, activities, leadership and exemplary character and to help these students progress by association with alumni who have attained prominence.

Each year the members of the society offer a tutoring program for all students taking electrical engineering courses, recognize an outstanding sophomore in electrical engineering, initiate new members in the Fall and Spring and have a spring cookout for all members and faculty.

Horticulture Society

The Louisiana Tech Horticulture Society was created to promote interest and fellowship in the field of horticulture among students.

This club strives to bring the field of horticulture in all its facets to public attention and to increase and provide contact between students and professional horticulturist.

The members of the club join together and sell poinsettias as a means of making money. The money made from the sale of these plants goes to providing transportation for the students' annual field trip to various nurseries and gardens in and out of state. The money is also a way of providing plant material for the Tech Plant Conservatory which students use to study and identify various species and varieties of plants. An annual seminar relating to several topics concerned with horticulture is sponsored by the Horticulture Society.

The student branch of the Institute of Electrical and Electronics Engineers is directed toward the advancement of the theory and practice of electrical engineering and electronics and the presentation of guest speakers, field trips, movies, and social activities.

First organized in 1949, as the Tech branch of the American Institute of Electrical Engineers, a joint branch with the Institute of Radio Engineers was formed in 1957. In 1963, AIEE and IRE merged to form IEEE.

Activities include technical programs, student paper contests and participation in Engineers' Week.

Parks and Recreation Organization

The Parks and Recreation Organization (P.R.O.) of Louisiana Tech University was organized during the spring quarter of 1975. The purpose of this organization is to bring about an awareness to the need of recreational activities for Tech students, to promote a spirit of unity among recreation majors which allows them to work together in various areas of the recreational field and to develop high qualities of leadership, ability and good character.

Members of P.R.O. will receive working experience on the campus from the existing facilities and will be able to contact and recruit new students interested in recreation.

One of the projects P.R.O. is engaged in is the maintenance of a park and picnic area. This organization was also credited with the planning and formation of a ski trip to Red River, New Mexico, during the winter quarter break. This will become an annual event which enables any student to receive an hour of credit in physical education. Also in the planning is a school float trip down the Buffalo River in North Arkansas.

Phi Alpha Theta

Phi Alpha Theta is an international honor society in history. It was organized at the University of Arkansas on March 17, 1921. It is the largest, in number of chapters, of the accredited honor societies holding membership in the Association of College Honor Societies. The total number of its initiates, since organization, is more than 38,000.

The membership of Phi Alpha Theta is composed of students and professors who have been elected to membership upon the basis of excellence in the study or the writing of history. It is highly democratic, however, in the fact that any student of history may

become a member simply by maintaining a high standard of work in his studies, as well as in the fact that all the members participate in the work and in the direction of the society.

At the same time, Phi Alpha Theta is a professional society, the objective of which is the promotion of the study of history by the encouragement of research, good teaching, publication and the exchange of learning and thought among historians. It seeks to bring students, teachers and writers of history together, both intellectually and socially, and it encourages and assists, in a number of ways, historical research and publication by its members.

Phi Kappa Phi

The primary objective of the national Honor Society of Phi Kappa Phi is the recognition and encouragement of superior scholarship in all academic disciplines. The Society is convinced that in recognizing and honoring those persons of good character who have excelled in scholarship in whatever field, it will

stimulate others to espouse excellence. Moreover, the society feels that it serves the interests of the student capable of excellence by insisting that in order to acquire a chapter of Phi Kappa Phi, an institution provide the atmosphere conducive to academic excellence.

Society of Petroleum Engineers

The world demand for oil and natural gas has brought about a great international demand for Petroleum Engineers.

Here at Louisiana Tech, the Society of Petroleum Engineers is one of the links between this world demand and the petroleum engineering student. It is the aim of the society to help prepare the student for the challenge that is to come, that of being a diplomat

as well as an engineer in the oil and gas industry.

The society has at least three meetings, one party and two field trips per quarter. These, with officer meetings, an annual trip to the national convention and a tour of the Offshore Technology Conference in Houston make the Society of Petroleum Engineers one of the most active organizations on campus.

Officers: Tommy Thompson, treasurer; Kirk Delaney, recording secretary; Rod Guice, president; Kent Daily, corresponding secretary; Cliff Williams, L.T.E.A. representative; Curt Thurmon, vice president. **Not Pictured:** Bo Wolcott, athletic director.

Tau Beta Pi

The Tau Beta Pi association was founded at Lehigh University in 1885 by Edward Higginson Williams, Jr. to mark in a fitting manner those who have conferred honor upon their Alma Mater by distinguished schol-

arship and exemplary character as students in engineering or by their attainments as alumni in the field of engineering and to foster a spirit of liberal culture in engineering colleges.

Delta Sigma Theta

When establishing Delta Sigma Theta in 1913 at Howard University, the founders envisioned an organization of college women pledged to serious endeavor and community service. These youthful students demonstrated a vital concern for social welfare, academic excellence and cultural enrichment, putting less emphasis on the social side of sorority life. Delta Sigma Theta is a public service organization, dedicated to a program of sharing membership skills and organizational services in the public interest.

The Kappa Chi Chapter was founded at Louisiana Tech in 1974.

Kappa Alpha

Kappa Alpha Order is unique in that it is a Southern fraternity. K.A. was founded at Washington and Lee University on December 21, 1865. Robert E. Lee was the president of the university and it is the character and qualities of that man that Kappa Alpha Order strives to emulate.

The Southern way of life and traditions are exemplified in the practice of Old South Weekend. The weekend consists of a decorating party, pig roast, secession ceremony, parade and delivery of invitations. Festivities are concluded by the Old South Ball. Other social events throughout the year include the Jungle Party, State Fair, the Pajama Party, Winter Formal and Senior Party.

Kappa Delta

Kappa Delta, installed here in 1931, was the first national sorority at Tech. Alpha Chi chapter is one of the Kappa Delta chapters in the nation that has won both the Minnie Mae Prescott Award for gracious living and the National Council Award. These two awards are given at the Kappa Delta National Convention.

The colors for the sorority are emerald and pearl white and the flower is the white rose. Kappa Delta's activities include a Ragin' Cajun Party, Patriotic Party, Spring Formal and other social activities.

Kappa Delta sponsors events such as a Halloween party, Christmas party and Easter party for their twelve girls whom they have adopted at the Methodist Children's home in Ruston.

Kappa Sigma

Kappa Sigma was founded by the "Five Friends and Brothers" on December 10, 1869, at the University of Virginia. The fraternity is represented by the colors of scarlet, white and emerald green; and by the flower the Lily of the Valley. Epsilon Gamma Chapter at Louisiana Tech is built on "friendship and loyalty, having a solid foundation."

Kappa Sigma strives to maintain high standards socially, scholastically and athletically. Every year Epsilon Gamma holds the Founder's Day Banquet, Winter Formal and Hawaiian Party.

Lambda Chi Alpha

Lambda Chi Alpha, founded in 1909 at Boston University, is in its fifty-second year at Louisiana Tech. Lambda Chi Alpha is the first and only national social fraternity to do away with the "pledge" system, believing that every man should be able to contribute his talents in a mature way to the organization and not be held back by a double standard system. But this does not mean that it has given up any of its rich heritage.

Lambda Chi Alpha means great parties, a real home at Louisiana Tech, and the help of many brothers with the central issue of college learning.

Little Sisters of the Maltese Cross

The Alpha Tau Omega chapter to the Little Sisters of the Maltese Cross is in its sixth year as an organized affiliate of the national Little Sisters of the Maltese Cross. The purpose of the Little Sisters is to be of service to the Zeta Chi chapter of the Alpha Tau Omega fraternity. Activities include providing refreshments for the brothers, sponsoring car rallies, assuming the duties as Big Sisters for the ATO pledges and helping in general with parties.

Sitting: Cathy Haynes, secretary-treasurer; Connie Sheridan; Jane Murphy, president; Roxanne Reeder. **Standing:** Paula Burns; Yvette Scallon, vice president; Carol Bray; Beth Lowery.

Order of the Blue Iris

The Order of the Blue Iris is the little sister organization for the Alpha Epsilon Chapter of Theta Xi Fraternity. This is the third year for the little sister organization to participate in the Theta Xi activities.

The Order of the Blue Iris is involved in such activities as helping decorate for various parties, helping at homecoming, having covered dish suppers and giving the champagne party at the Spring Formal each year.

Also the little sisters have garage sales, bake sales, sponsor a car rally and act as Big Sisters for the pledges and Little Sisters for the actives of Theta Xi Fraternity.

Sitting: Lisa Beebe, Debbie Fogleman, Sindee Biggs. **Standing:** Suzanne Garrett, Becky Szabo, Denise Williamson, Mary Stevens, Lisa Wall, Mary Sole, Sandy Price.

Order of the Crescent

The Order of the Crescent is a little sister organization to the Theta Psi chapter of Lambda Chi Alpha fraternity. The main objectives are to assist the fraternity in civic and social functions as well as joining in the welfare of the fraternity itself.

The Crescents activities include assistance during Rush, a Halloween Party, an Alumni Homecoming Brunch, helping with the White Rose Formal along with other day to day activities.

Front Row: Carolyn Petty; Tammy Self; Carolyn Diebold, president; Mary Cook, vice president. **Second Row:** Barbara Vick; Karen Waller; Nell Thornton; Peggy Bass; Theresa Thevenote; Paula Harris; Kathryn Kenny. **Back Row:** Nancy Williams; Frances Flournoy; Mary Katherine Lindsey; Kate Grethe; Janet Martin; Sandy Chisholm; Nena Luneau; Debby Lay.

Order of Diana

The Order of Diana is a little sister organization of the Beta Zeta chapter of Tau Kappa Epsilon Fraternity. It was reorganized in the Fall of 1974 and has since grown to be the largest and most active organization of its kind on campus.

The primary purpose of the Order is to be of service to Tau Kappa Epsilon and to secure for its members the benefits, both intellectual and social, derived from closer fellowship with one another. Activities of the Order include decoration for the annual Red Carnation Ball, assistance with such projects as Homecoming, Mother's Weekend and Rush, sponsoring farm parties and assuming the duties as Big Sisters of TKE pledges.

Front Row: Judy Benson, Karen Butler, Sara Reisz, Derexa Scott. **Second Row:** Terri Boothe, Lee Day, Janet Greer, Amy McClellan, Paula Perry, Teresa Graham, Kathy Allison. **Third Row:** Teresa Frish, Maggie White, Colette LeBlanc, Sue Stevens, Sally Smith.

Order of the Stardusters

The Stardusters is a National Little Sister organization of the Kappa Sigma Fraternity. This organization was established at Louisiana Tech in the winter quarter of 1972 and was known as the Star and Crescent until its name was changed to Stardusters in 1977.

The main purpose of the Stardusters is to assist the men of Epsilon Gamma Chapter of Kappa Sigma in most of their fraternity activities. Some of the functions include helping with decorations for their annual Hawaiian Party, covered dish suppers, party for new pledges, Big Sis-Little Brother parties and assistance during Rush.

The girls are chosen by the members of the Kappa Sigma Fraternity and are presented each year at their annual Winter Formal.

Margie DePringre, Theresa Martin, Denise Kent, Kelly Kingery, Gwen Carlton (sweetheart), Francis Fontaine, Julie Sippell, Marcia Reed, Gail Suggs.

Order of White Rose

The Order of the White Rose has played an important part in Sigma Nu since the beginning in 1971. It serves as a service organization for the fraternity. Among the activities OWR participate in are serving as big sisters to the pledges, sponsoring small parties at various times during the year and helping with Homecoming week. At present OWR has 16 members who were voted in unanimously by the active members of Sigma Nu.

Front Row: Kim Saunders, Rae Lynn Woods, Carolyn Ellerbe. **Back Row:** Marcelle Miranne, Terri Courtney, Don Morgan, Peggy Mathis, Johnny Nugent, Paula Angel, Susan Douget, Julie Jewel, Teresa Gray, Paula Arnold, Nancy Couvillon, Mary McBeth.

Phi Beta Sigma

Phi Beta Sigma fraternity was founded in 1914 at Howard University in Washington, D.C. Since then it has grown to be one of the largest social-service fraternities in the world. It was chartered on Tech campus in March of 1977. Since then, Phi Beta Sigma has been successfully striving for its goals: brotherhood, scholarship and service.

Pi Kappa Alpha

Over 100 years ago, Pi Kappa Alpha was founded on the campus of the University of Virginia. Its purpose then and now is "to establish friendship on a firmer and more lasting basis and to promote brotherly love and kind feeling."

Gamma Psi chapter at Tech takes great pride in its intramural competition, scholastic achievement and public service.

The Pikes' many social events of the year range from their annual State Fair and Roaring 20's party to the Delta Club and Dream Girl Formals.

The Pikes are continuously working to maintain their position on the campus and in fraternity life.

Sigma Nu

Established at Louisiana Tech in the spring of 1960. Eta Zeta chapter of Sigma Nu fraternity has grown to be a leader not only at Tech but also among the 140 chapters across the nation. Eta Zeta chapter has distinguished itself in many fields of endeavor, establishing leadership in scholarship, intramural sports and student government.

The three principles upon which Sigma Nu was founded are best expressed in the creed: "To believe in the Life of Love, to Walk in the Way of Honor, to serve in the Light of Truth."

Sigma Pi

Sigma Pi was founded in 1897 to promote the principles of high character, academic excellence and life-long brotherhood. Since that time, over 35,000 students and alumni of more than 115 universities have pledged themselves to the brotherhood of Sigma Pi.

Delta Lambda chapter was chartered on April 24, 1970, becoming the 105th chapter of Sigma Pi. Social events each year include State Fair Dionysius, Derby Day and Orchid Ball.

Tau Kappa Epsilon

Tau Kappa Epsilon, the oldest Greek-Letter organization at Louisiana Tech, takes pride in its leadership in all areas of campus and community activities.

"Not for wealth, rank, or honor, but for personal worth and character" is the principle that ties the close bond of brotherhood for all members of Tau Kappa Epsilon.

By winning the All-Sports Trophy seven of the past eight years, TKE shows its strength in intramural sports. Socially, TKE is strong with its Jungle Party, Winter Informal, Farm Party and annual Red Carnation Ball, the social highlight of the year.

Theta Xi

Theta Xi is represented by the Alpha Upsilon chapter at Louisiana Tech. In March of 1971, a local fraternity, Gamma Tau Epsilon, petitioned Theta Xi to reinstall the chapter. Theta Xi was installed on the Louisiana Tech campus March 20, 1971. They recognize the blue iris as their flower and colors of blue and white.

In addition to the open houses and parties after campus activities, Theta Xi's social calendar includes State Fair, Winter Ball, Cowboy party, film festival, Spring Formal, and the annual 6294 Banquet.

Zeta Tau Alpha

Zeta Kappa chapter of Zeta Tau Alpha was established at Tech in 1966. The colors of the sorority are turquoise blue and steel grey, and the flower is the white violet.

Social events throughout the year include teas for Founder's Day and Mother's Weekend, Winter and Spring Formals, a Big-Little Sis String party, an initiation banquet for each pledge class and participating in Greek Weekend.

In the Spring of 1976 the members of the sorority held their ten year anniversary party for the past members of the chapter. Zetas came from all over the United States to see their sisters and recall old memories. The National President of Zeta Tau Alpha was the guest speaker for the occasion.

The foundation of Zeta Tau Alpha is love, "the greatest of all things."

Extensions of the Tech Campus

From Ruston to Rome

The La. Tech University sponsors a trip to Mexico each summer for all interested students. This program is growing in popularity each year. Along with touring Mexico for six weeks, any Tech student can obtain college credit on the tour. While in Mexico the coeds visit many of the historical sites along with learning much about the country and its people. The program is under the leadership of Dr. John Leich of the Foreign Language Department.

La. Tech offers an on-base degree program at Barksdale Air Force Base in Bossier City, La. This program, initiated in 1965, is designed mainly for Air Force personnel whose military assignments make it impractical for them to earn college credit and complete a degree program in the traditional manner. Tech offices are maintained in the Base Educational Center.

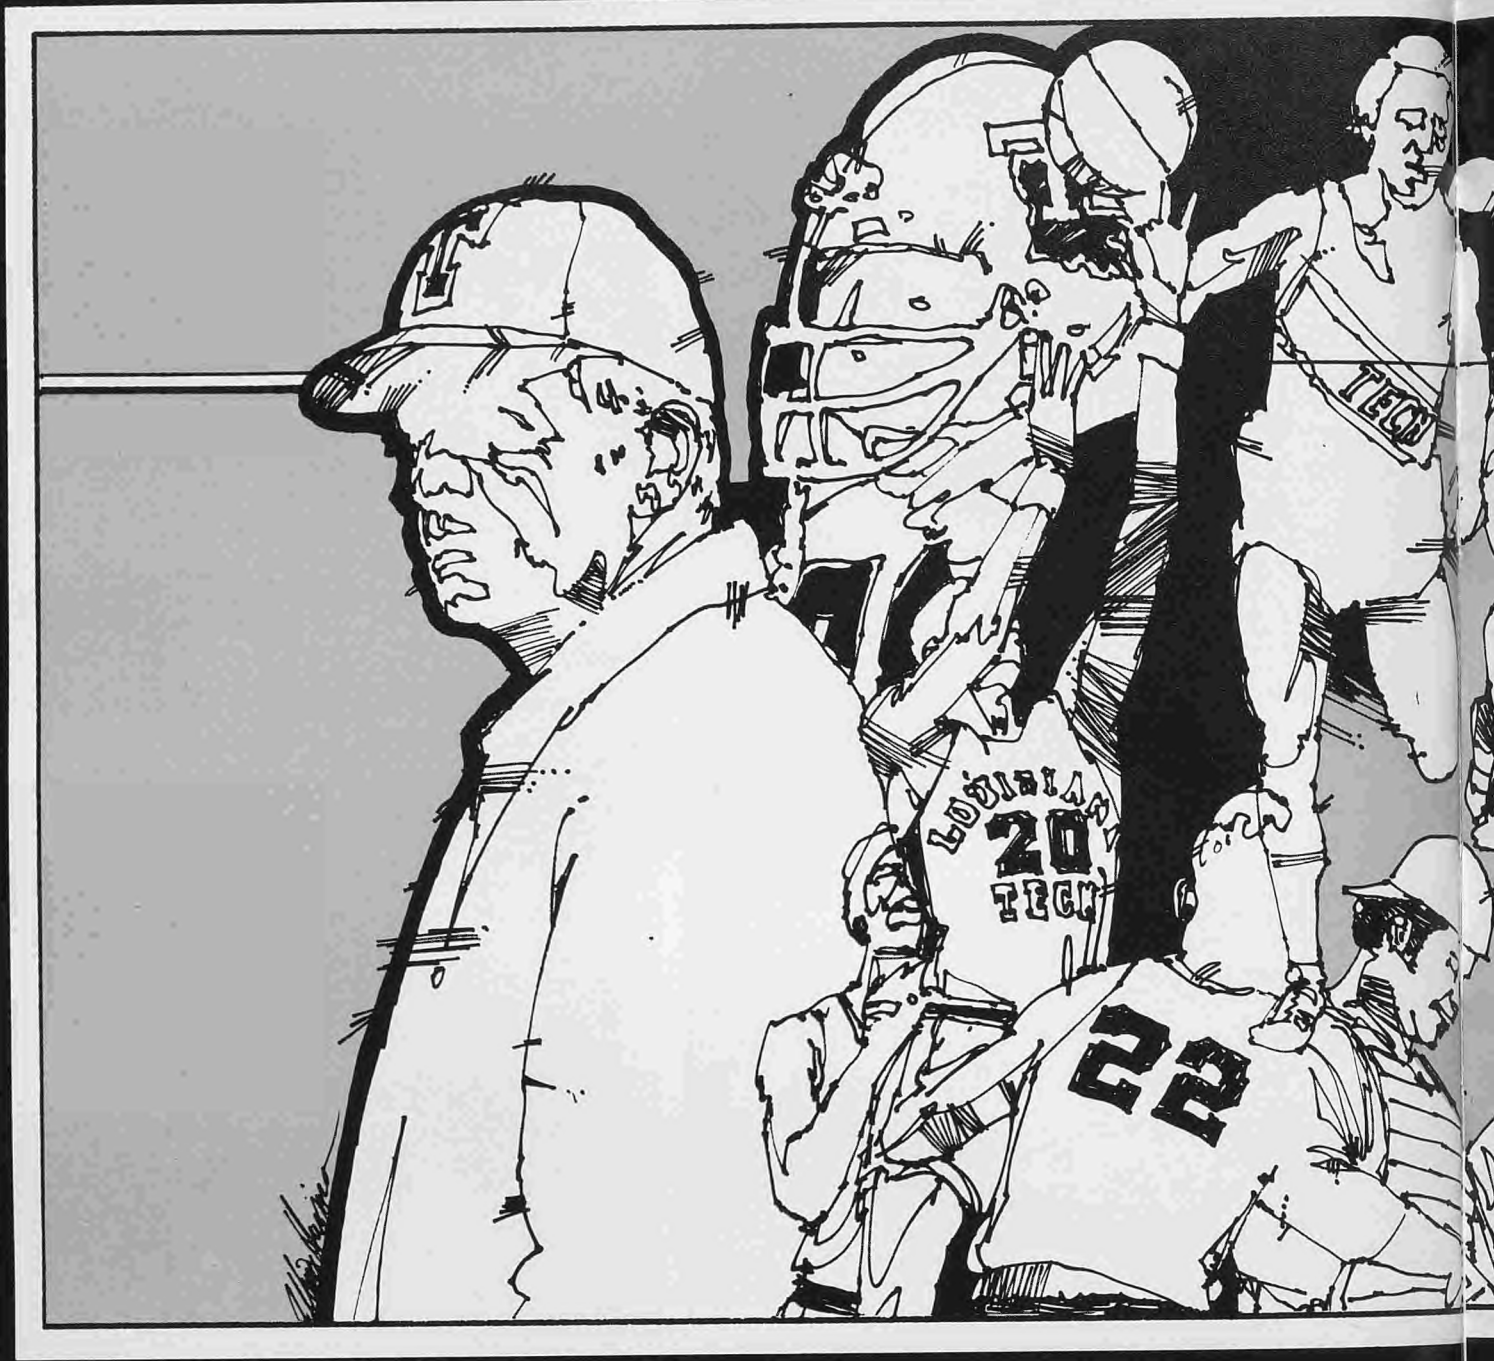

Tech Rome is an educational extension of the university, based in Europe, with an actual campus staffed with Tech administrators and faculty. Fifty different courses are offered and up to twelve credit hours are available to participating students. Together with college credit and the living experience in Rome, the students also tour Greece, Capri and several famous European cities including Switzerland, Venice, Paris, Munich and Florence, and are able to see historical achievements and contemporary European life.

Maxie T. Lambright

Athletic Director and Head Football Coach

It has been 11 years since Maxie Lambright took over the head coaching reins at Louisiana Tech University. In those 11 seasons, the Bulldogs have captured five different national titles and seven conference titles, with the latest being the past season when Tech took the Southland Conference crown with an 8-1-2 overall record.

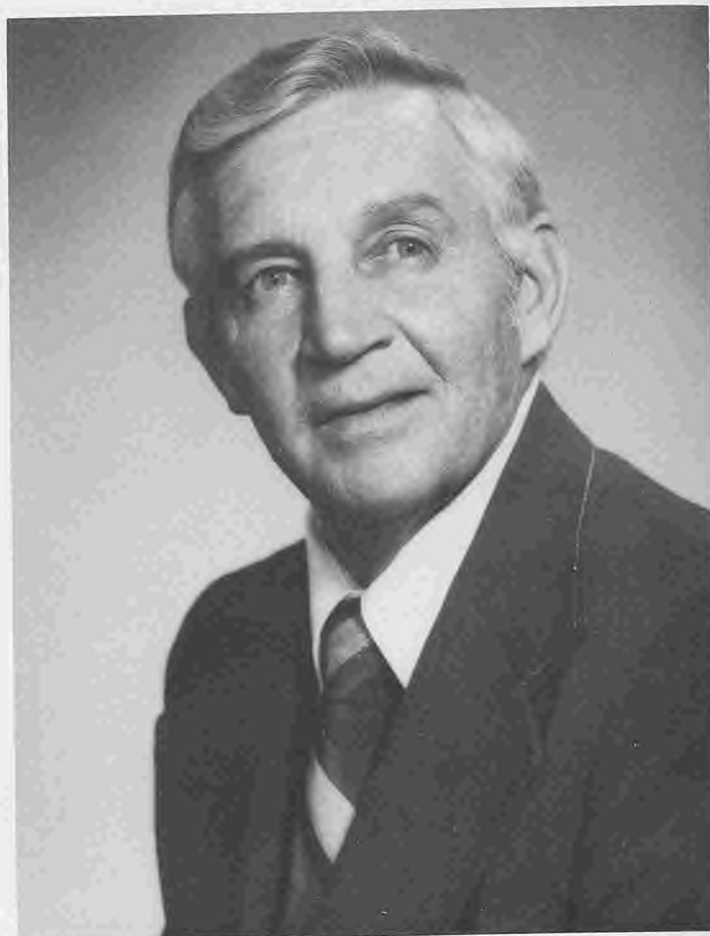

Lambright's record of 89-31-2 at Tech is the second best of any active coach in Louisiana.

Tech has received national recognition not only in football, where Lambright and his staff have produced such professional stars as Terry Bradshaw, Roger Carr, Mike Barber, Fred Dean, and Pat Tilley, but also in baseball, track, basketball, and recently, women's basketball.

There have been only two losing seasons since Lambright came to Tech and the ever successful head coach has produced consistent winners despite losing key all-stars to graduation almost each year.

With Lambright at the helm, the Tech Bulldogs know that there is only one direction to follow. "We want to improve our capabilities in all sports and that takes a lot of hard work and a lot of pride in what you are trying to do."

Louisiana Tech can be proud of Maxie Lambright.

Maxie T. Lambright

Assistant Football Coaches

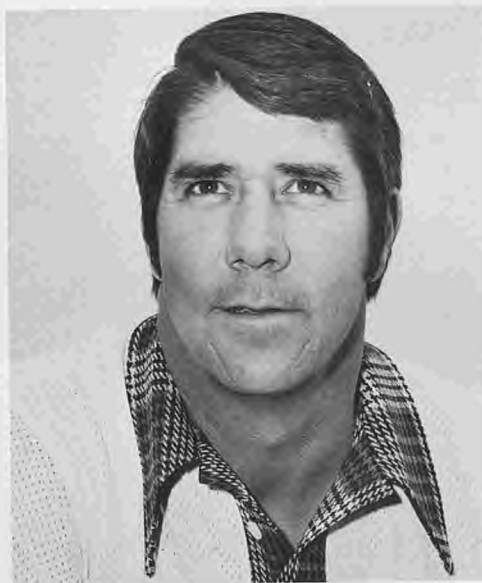

Mickey Slaughter has completed ten years as an assistant coach at La. Tech. He serves as Tech's backfield and receivers coach, and, at the same time assistant athletic director. Coach Slaughter also recruits in the SW Louisiana area.

Pat Collins is in his eleventh year as coach at La. Tech. He is coach of the defensive line and linebackers and is also in charge of recruiting in the Shreveport-Bossier area.

E.J. Lewis, the veteran of the La. Tech football coaching staff, is now serving in his 15th year. Lewis is the defensive backfield coach and spends time recruiting in East Texas.

Pat Patterson is the coach of the Bulldog offensive line in addition to his responsibilities as baseball coach. Coach Patterson is in his 11th year of coaching at Tech.

Wallace Martin has been offensive line coach at La. Tech for seven years. He also recruits in the Baton Rouge-New Orleans area. Coach Martin also coaches golf in the spring at Tech.

George Smith in his 4th year is the youngest football coach at Tech. He is in charge of wide receivers and also Bulldog tennis coach, having guided his net crew to a 3rd place Southland conference win last spring.

Tech 56 — CS 0

The season opener for La. Tech football turned out to be an end zone game as eight different Bulldogs scored touchdowns in the 56-0 romp over the California State at Sacramento Hornets. This game, held at Shreveport's State Fair Stadium, completely satisfied the Bulldog coaching staff. The game's top offensive player, John Henry White, led the scoring with a first quarter touchdown on a five-yard run. Four of the eight touchdowns were made in the second quarter as Charlie Lewis, Joe Mac Johnson, and Bryan Leviston made rushing touchdowns, and receiver Rod Foppe caught a 28 yard scoring toss from quarterback Keith Thibodeaux.

After the Bulldogs returned from halftime, Larry Anderson, the game's top defensive player, returned the opening kickoff 92 yards for a touchdown. Twenty-two seconds later, after a fumble recovery by the Canine defense, Thibodeaux connected with wide receiver Jerry Pippens for another TD. The last touchdown came on a five yard run by third string quarterback Mark Buchanan set up by a 46 yard run by Leviston to the Cal State 22-yard line. Bulldog kicker Keith Swilley had a perfect night on extra points, making eight of eight attempts. The Tech defense kept Cal State from scoring throughout the game. The crowd of 14,746 witnessed a truly memorable night as Tech ran away with the game.

Tech 21 - ISU 21

For the first time since Maxie Lambright has been head coach at Tech, the Bulldogs brought a 21-21 tie back to Ruston. Tech has played three times in the Northern States during Lambright's era, and has not yet gained a victory.

During the opening minutes, it looked as if Tech would ditto their earlier 56-0 victory over California State. Senior defensive back Larry Anderson raced the opening kickoff back 100 yards for the first touchdown. Kicker Keith Swilley, a junior from Pensacola, Florida, completed three conversion points in the game, but failed on two field goal attempts, one with 2:12 left in the game, and one in the last two seconds on a 42 yard try. Despite the tie, Tech did have the most yards rushing, most yards passing, most total defense and most punt return yardage.

Tech 14 — MSU 7

Both La. Tech and McNeese were kicking off their Southland Conference seasons in this significant head to head match-up at Cowboy stadium in Lake Charles, La. For four of the last five years, the winner of this game has gone on to claim the league title.

Larry Anderson again returned a punt for a touchdown in the first quarter, and the game was won on a 37 yard touchdown strike to Rod Foppe from sophomore quarterback Keith Thibodeaux with 4:30 remaining in the third quarter.

McNeese took an early 7-0 lead, but the moment Anderson crossed the goal line things began to change. The Bulldog defense held McNeese on three straight scoring drives.

Tech 21 - USL 21

It was only appropriate that the Southland Conference classic between La. Tech and USL was a toss-up down to the final five seconds. It may also have been fitting that the game ended in tie between the two evenly matched and well-coached teams.

Despite USL's quarterback being SLC's number one passer and leading scorer, La. Tech came up with key defensive plays when they were needed. Confident, well-planned and well-executed offensive plays along with several turn-overs, were probably the biggest factors of the game (four interceptions and two fumbles).

"I went ten years without a tie and now I've seen two in the last three weeks," said head coach Maxie Lambright. "Naturally our players wanted to win, but a tie is better than a loss."

Only one-half of a game separated La. Tech and USL in the berth for first place and a chance at the Independence Bowl, and after their confrontation both teams felt better that they tied and did not lose.

Opposite page: Top left: Curley White and the Bulldog defense stopped a McNeese play. **Top right:** Larry Anderson gave the No. 1 sign after returning a punt back for a touchdown. **Bottom:** Thibodeaux's kick was blocked. **Top:** The USL defense pursued John Henry White. **Middle left:** Tech's defense closed in on USL's Roy Henry. **Lower left:** Ricky Herren plunged through the USL defense.

Tech 20 — ASU 7

The 20-7 victory over Arkansas State in Jonesboro, Arkansas put La. Tech in a tie for first place in the S.L.C. The victory was partly due to the rushing performance of John Henry White, a senior halfback from Haynesville (233 yards — second best single game performance in Tech history), partly to the determination of the Bulldog offense, and partly to the excellent plays of the Canine defense.

John Henry White rushed for 2,484 yards in his career. That is the No. 2 record on the Bulldog all-time list. Keith Thibodeaux had 14 completions of 22 for 209 yards. Larry McCartney, starting tight end, caught three passes for 78 yards. Consistent blocking of the offensive line, tackles, fumble recoveries and pass deflections of the defense all joined together to gain a victory in Tech's fourth away game.

Tech 30 — NSU 8

The annual State Fair classic between La. Tech Bulldogs and Northwestern State Demons turned out to be quite a rewarding event for several Bulldogs. Tech's 30-8 victory was the seventh straight and the ninth win of the last 10 games in the State Fair rivalry. The Bulldogs totaled 389 yards on offense and scored more points than the Demons had allowed in their last five games.

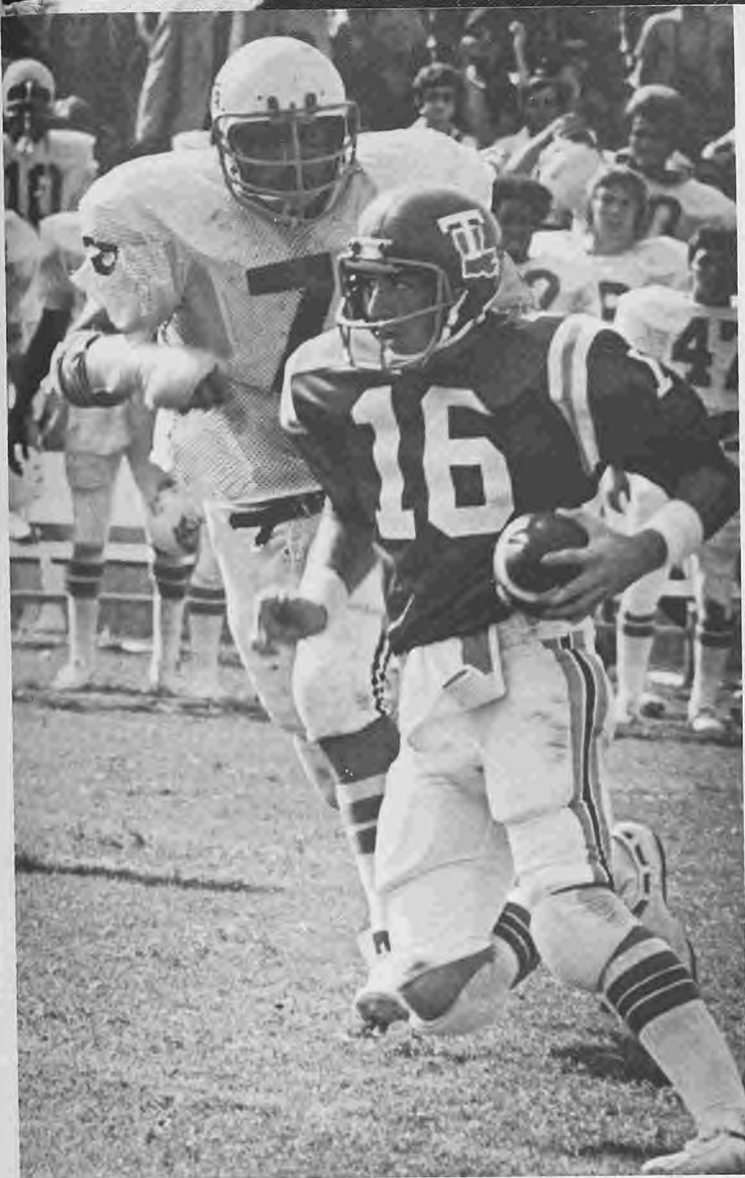

The nationally ranked Tech defense allowed NSU only one yard rushing and 10 pass completions for 116 yards.

Keith Thibodeaux, a sophomore from Opelousas, completed 12 of 23 passes for 201 yards. Two were touchdown completions to senior tight end Larry McCartney who ended up with four catches for 79 yards. John Henry White scored a touchdown and Thibodeaux also scrambled for a one-yard score. To finish the game in style, freshman Tony Tademy sacked NSU quarterback Rick Lanning for a safety with only one minute and ten seconds left in the game.

The Bulldogs Clenched Another Victory At Homecoming

Tech 34 - UTA 12

With the 34-12 victory over University of Texas at Arlington in Joe Aillet Stadium, the Bulldogs boasted five victories, two ties, and no losses in the last ten games played. Coach Maxie Lambright stressed concentrating on only one game at a time with big games coming up against University of Southern Mississippi and North Texas State.

Keith Thibodeaux, destined to become one of Tech's best all-around quarterbacks, had his finest game with 311 yards passing, 11th best in Bulldog history on 15 completions of 29 attempts.

Tech took definite steps toward first place in the SLC and stayed in the race for the chance to play in the Independence Bowl with the decisive victory over UTA. They also erased the bad memory of the meeting with UTA last year by creating one for the Mavericks.

Tech 23 — Lamar 6

La. Tech's victory over Lamar with a 23-6 score was almost anticlimactic after they found out that Arkansas State had beaten USL 17-15. The news came with only two and a half minutes left in the game and it was then that they knew that they were No. 1. They had won the Southland Conference championship.

Keith Thibodeaux had another great game with 14 completions for 247 yards. The first score came when Keith Swilley kicked a 29-yard field goal to put the Dogs ahead 3-0. Thibodeaux then produced the half time lead by rambling 17 yards for a touchdown in the second quarter. Larry Anderson raced a punt back 71 yards for a touchdown in the second half and Thibodeaux sneaked one yard for a second TD in the 3rd period. After that, it was Tech's nationally ranked defense that tightened up and held Lamar to two field goals.

Lottinger and Melvin McCoy signaled yardage to go. **Middle left:** Coaching staff was concerned with the game. **Middle right:** A pass for Larry McCartney was overthrown. **Opposite page:** **Top right:** Lee Bailey tackled a Lamar running back. **Middle left:** Lamar defense closed in on John Henry White. **Bottom right:** Larry McCartney received a pass against Lamar. **Bottom left:** John Henry White escaped a tackle.

Tech 28 — USM 10

After La. Tech's victory over University of Southern Mississippi in Hattiesburg, Miss., USM Head Coach stated that he would vote for the Bulldogs to be ranked in the top 20's national ranking.

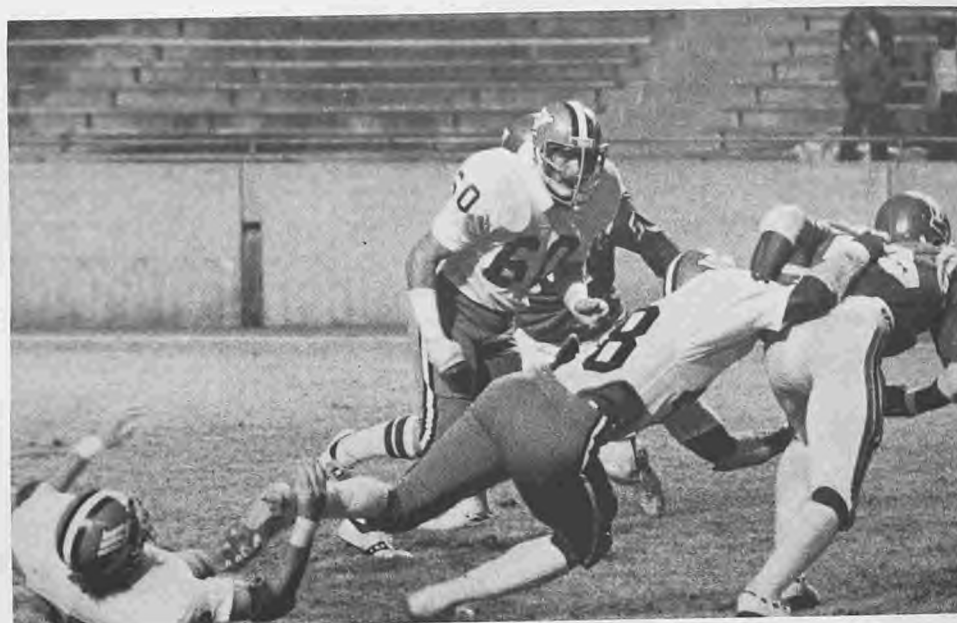

The Canines finished with 464 yards with quarterback Keith Thibodeaux passing for 324 yards. Rod Foppe caught 8 receptions for 167 yards and senior tight end Larry McCartney had five catches for 100 yards.

Foppe caught a 21-yard pass and John Henry White ran two yards for the rapid lead of 14-0. Later, a four yard run by White and a four yard scamper by running back Charlie Lewis raised the Dogs' score. Keith Swilley kicked all four extra points successfully to make Tech's decisive 28-10 score over the Mississippi champion team, USM.

Tech 14 - NTSU 41

On Saturday, November 19, North Texas State ended the undefeated record of La. Tech. Only one week before La. Tech had captured a major victory over the University of Southern Mississippi and the attention of many people turned to the Bulldog team.

North Texas State controlled the game from the second quarter as they passed and ran time after time, but Tech had its moments. Tight end Larry McCartney, very heavily guarded, left both feet and somehow snatched a high soaring Thibodeaux pass for a 43 yard gain that put Tech in a position to tie the game in the first quarter. They did get the touchdown with about 4 minutes left in the initial quarter and that was the closest they ever were to the Mean Green. Larry Anderson returned 4 punts for 51 yards and 2 kickoffs for 44 yards and Keith Thibodeaux connected on 16 of 30 passes for 304 yards, but that was not enough as the Bulldogs lost 41-14.

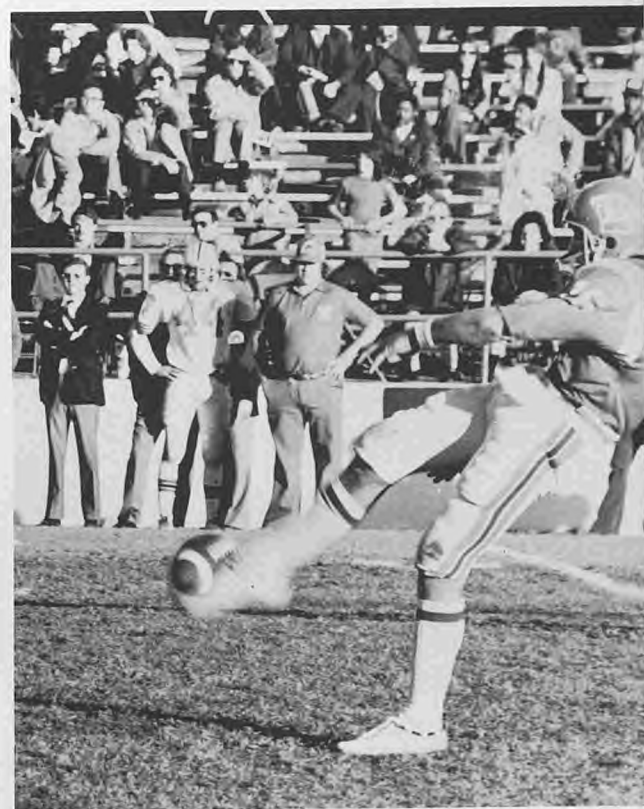

Tech 20 — NLU 0

La. Tech finished their regular season on Thanksgiving Day by defeating Northeast Louisiana University 20-0 at Joe Aillet Stadium.

Tech came up with most first downs (25-5), most yards rushing (160-76) and most total defense. Tech's only weak spot was turnovers, where they had four fumbles and two interceptions.

All of Tech's scoring came by way of either runs or field goals. The Bulldog defense did an exceptional job with fumble recoveries by Danny Majors and Curly White and interceptions by Lee Bailey, Huey Sloan and Larry Gideon.

Tech Wins Independence Bowl

On December 17th, what was supposed to be a run-away-with-the-game contest for the University of Louisville Cardinals turned out to be but another win to chalk up in the Year of the Bulldog. Sophomore quarterback Keith Thibodeaux, backed by the entire La. Tech Bulldog team, stopped the Cardinals cold 24-14. Louisville Coach Gisbon said of Thibodeaux, "He made us look silly." Adding another to his list of great performances, Thibodeaux completed 19 of 39 passes for 287 yards. Adding to the victory was the nationally ranked Bulldog defense. It stopped Calvin Prince and Nathan Poole who were supposed to be Louisville's secret weapons.

Truly this second annual Independence Bowl game proved to be a memorable occasion and the icing on the cake for Tech fans, Head coach Maxie Lambright, and the entire Bulldog team.

Football Honors

1977-78 SLC Coach of the Year

Louisiana Tech Bulldog Head Coach Maxie Lambright received the honor Southland Conference Coach of the Year. Coach Lambright turned what seemed to be a dismal year into a year nothing short of spectacular. He led the La. Tech Bulldogs to the 1977 SLC Championship, a victory in the 2nd annual Independence Bowl, and a winning record of 9-1-2. In his decade as head coach, he has done a fantastic job with the football team and as La. Tech Athletic Director. We commend Coach Lambright on a job well done.

Men's Basketball

The La. Tech basketball team faced a challenge of rebuilding the team this season. Many players were lost through graduation with only four returnees: Mike McCann, Randy Alexander, Bill McConathy and Victor King. The 1978 team was young and aggressive, but lost confidence easily. Plagued by injuries, the team lost several key games.

Emphasis was put on good recruiting as a major method for rebuilding.

New head coach J. D. Barnett installed the system of involving all players in both offensive and defensive play. He was pleased with the interest and enthusiasm displayed by the Bulldog fans during his first season.

Women's basketball is fast becoming another winning tradition at La. Tech, each year improving their record and collecting more titles and honors. Fans attended in larger numbers, and the Lady Techsters' games became more and more popular, especially towards the end of their extremely successful season.

A key to the girls' winning season was the return of three All-Staters, Belinda Jones, Elinor Griffin and Kay Ford. Several other players also returned after winning the State Championship last year.

Coached by Sonja Hogg and Leon Barmore, the Lady Techsters finished with an overall record of 20-8, placing second at the LAIAW State Tournament and fourth at the SWAIAW Regional Tournament in Nacogdoches, Texas. They received recognition in the Associated Press poll for the first time this year, ranking 20th during the season. The women beat 17th ranked Stephen F. Austin at home this year 74-73, and lost by only three points to 5th ranked Delta State.

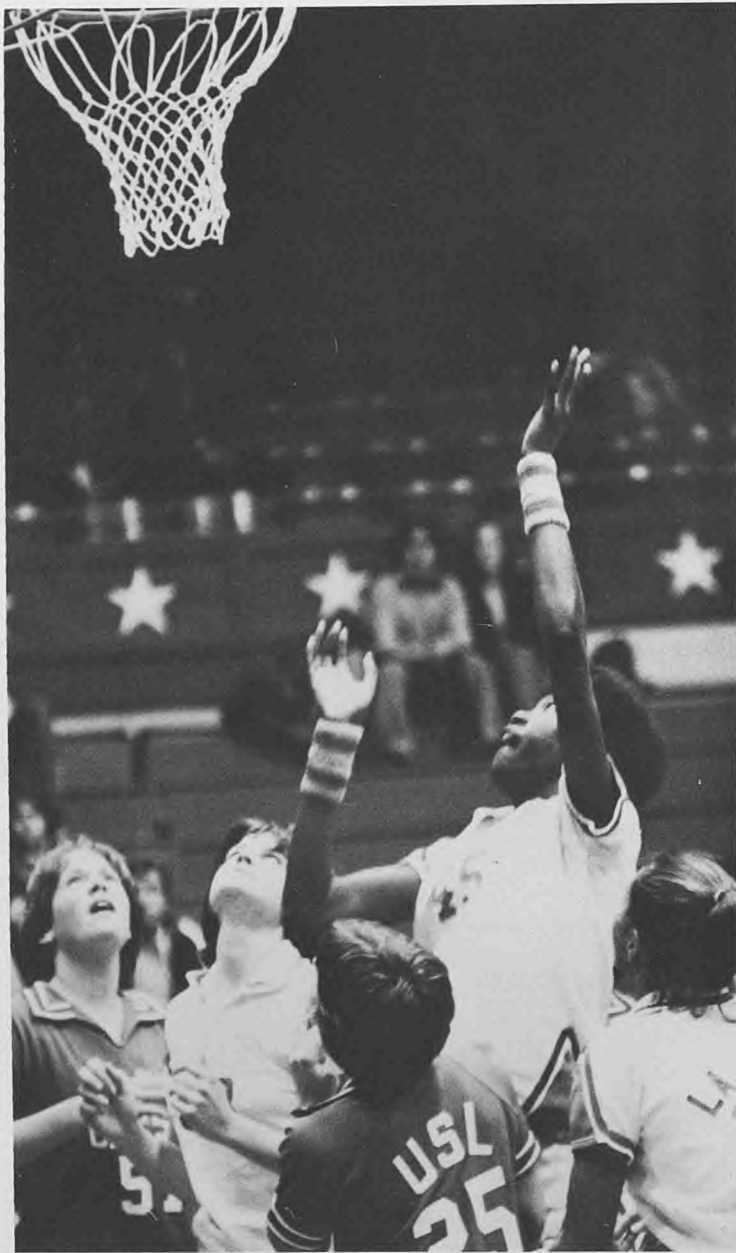

High scorer for the Lady Techsters this year was center Elinor Griffin with 502 points and an average of 19 points per game.

Baseball

"We had a very solid season," reflected Baseball Coach "Pat" Patterson. Evidence of this was the fact that the La. Tech Baseball team had a winning overall record of 32 wins and 19 losses. The Bulldogs posted their best hitting season with a team average of 300.

The team broke seventy-three batting records during the regular season, while Chuck Bailey led with a batting average of .429.

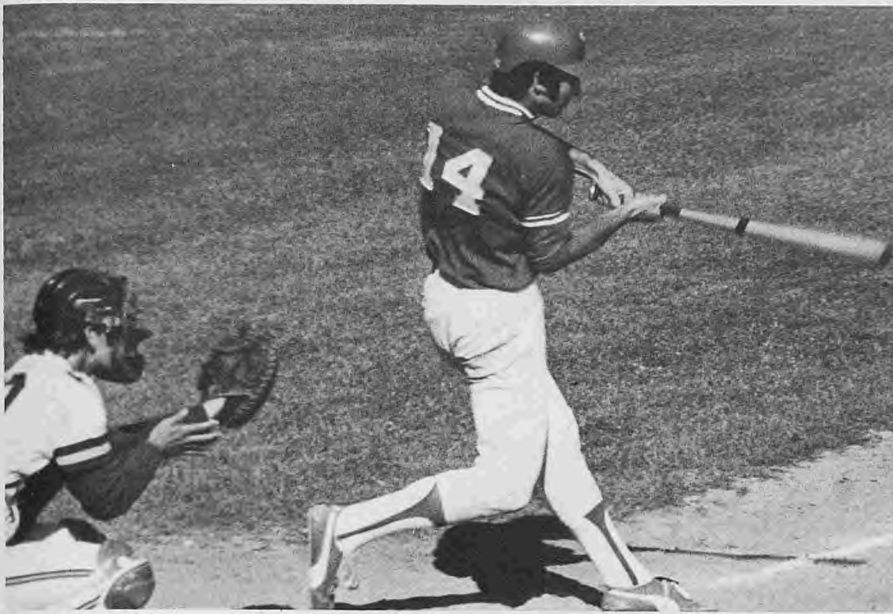

Keith Thibodeaux led the pitchers with his record of 7 wins of 10 games that he pitched and a conference game record of 4-1. The team had a SLC record of 6-8. Barry Johnson had an outstanding career with 185 hits out of 612 times at bat. Despite several stumbling blocks, the Bulldogs of the mound had a very successful "solid" season.

Coach Jim Mize Retired After 30 Years

The 1977 track season marked the last season for retiring coach Jim Mize, a veteran of thirty-one years of coaching. Mize began his career as an assistant football coach, and after twenty-four years of coaching gained the position of assistant athletic director. Known for his outspoken attitude, Mize was respected across the nation for his work with the La. Tech track program. He was proud of his career and always stressed participation over winning, and believed that athletics came second only to a sound education.

Jim Mize's motto expressed his successful coaching career: "I believe in meeting a challenge, and conquering that challenge." Surely he has met his goal of leading young athletes to victory and appreciation for their sport.

A series of injuries plagued the 1977 La. Tech track team. Placing fifth in the Southland Conference meet, the team displayed excellent ability and experience. The spirit of the team was "No. 1," and their philosophy was "entry in every event."

Right: Coach Mize was carried off the field after another triumphant win. **Opposite page: Top:** Monroe Ford led the field during the University of Texas meet. **Bottom:** Gary Speyrer, Wade Brown, Jim Taylor and Greg Ochs held the baton that enabled them to break a school record during the Texas relays.

Cross Country SLC Champs

Under the leadership of new coach Aubrey Dooley, the La. Tech Cross Country team captured the 1977 Southland Conference championship. The team lacked depth, but had a lot of talent. They were a very young team, with only 3 seniors. "These fellows did not mind the work and they were very eager to learn and to improve," says Coach Dooley of the team. Assisting Coach Dooley was Mile McNees, graduate assistant and team captain was Gary Speyrer, a senior who holds the Bulldog record in the mile.

Men's Tennis

The tennis program at Louisiana Tech did well this year under new head coach, George Smith. New transfers from junior colleges this year were Salman Khan and Sergio Flor. They held number one and number two positions, respectively.

The Bulldogs placed third in the Southland Conference Tournament behind USL and Lamar.

Louisiana Tech will host the Southland Conference Tournament, which will be held in the spring at Tech. The coach and team are looking forward to it and hope for new support in this endeavor.

Women's Tennis

Although the women's tennis program was the last to offer scholarships, this aspect of women's athletics is starting to grow. The team this year was young and inexperienced, but it still gave a great effort in competition and the coaches were very pleased with the progress.

Kay Mock was the first women player to win an award in a state tournament. Gail Dowell was the most valuable player, and Dawn Delgado, a new recruit, was the most consistent in her play.

Golf Team

The golf team did well in this, their seventh year. They came out fourth in the Southland Conference and brought home two first places, one came from play at the McNeese Intercollegiate tournament and one was attained here at the Louisiana Tech Invitational. They also received two second place titles and one third place.

"There are definite makings for a good team present, but they did not play consistently together and could have done better," reflected Coach Wallace Martin. "We hope to have improvement in the consistency of play and in the leadership of the team next year," he said.

Billy Pierot led the team with a Rounds Average of 74.3 for the season with 23 rounds. He was recognized state-wide for his performances. Mark Powell, Scott Morgan, Phillip Pierot, and Perry Watson finished second, third, fourth, and fifth, respectively.

Powerlift Team

The Louisiana Tech Powerlift Team completed its third and most successful year in 1977-78. The highlight of the year was the 10th place finish in a field of 53 teams at the National Collegiate Championships held at Oklahoma State University.

Some of the notable achievements of the 1977 team were:

January 1st place — North Louisiana Powerlift Championship.

March 10th place — National Collegiate Championships.

April 1st place — Holiday in Dixie Power Meet.

October 1st place — Dual meet victory over TCU.

November 1st place — Triangular Meet — Mississippi State University and University of Southern Mississippi.

December 1st place — Region IX and Texas Collegiate Powerlifting Championships. Defeated Texas A&M, Texas University, Texas Tech, North Texas State, Texas Christian University, San Jacinto College, Blinn College, and Prairie View A&M.

Tech Soccer

Soccer, now in its fifth year at Tech, is growing, especially in the south. The club's record for 1977 fall quarter was 8-1 with the one loss to LSU. The season extends from mid September until the end of November.

The soccer club at Tech has done very well, and exceptionally well considering the fact that they don't have a coach. There are 18 players that are on the

team, but only eleven people play on the field. The advisor for the club is Dr. Tom Lewis, of the foreign language department.

During the last year, Tech's Soccer Club beat such teams as Northeast, Centenary, Le Tourneau in Longview and Grambling. The leading scorer during these games was Ismail Haggi.

Parachute Team

The ability and style of the Louisiana Tech Parachute Team was displayed in their performance of an all-collegiate seven-man star at the National Collegiate Parachuting Championships this year in Deland, Florida. Four team members brought home five trophies in the December meet. They were Dudley Blanche, Benton Brown, Tim Garlington and David Fox. This meet, in which Tech's team performed among the top three teams present, is considered the biggest, most important event of the year. Three performance events were featured: style, accuracy and four-men relative work team competition.

The parachute team also does exhibition performances. This is proven by the fine jumps that they added to the Homecoming game this year.

Tae Kwon Do Karate Team

The Louisiana Tech Tae Kwon Do Karate Team was formed during the Fall quarter, 1976. During the 1976-77 competition year, the team won 40 trophies in five major tournaments. With the beginning of the 1977-78 year, the team has won first and third place team trophies and eleven individual trophies in the first two tournaments.

The Karate team is sponsored by the Upsilon Sigma Kappa Alpha fraternity which is composed of advanced karate students and is affiliated with the United States Karate Association.

Upsilon Sigma Kappa Alpha fraternity officers and sponsors are: Dr. David Jordan, sponsor; Jesse Lynn, president; Ellison Benton, vice-president; Bo Chevallier, secretary.

Women's Volleyball

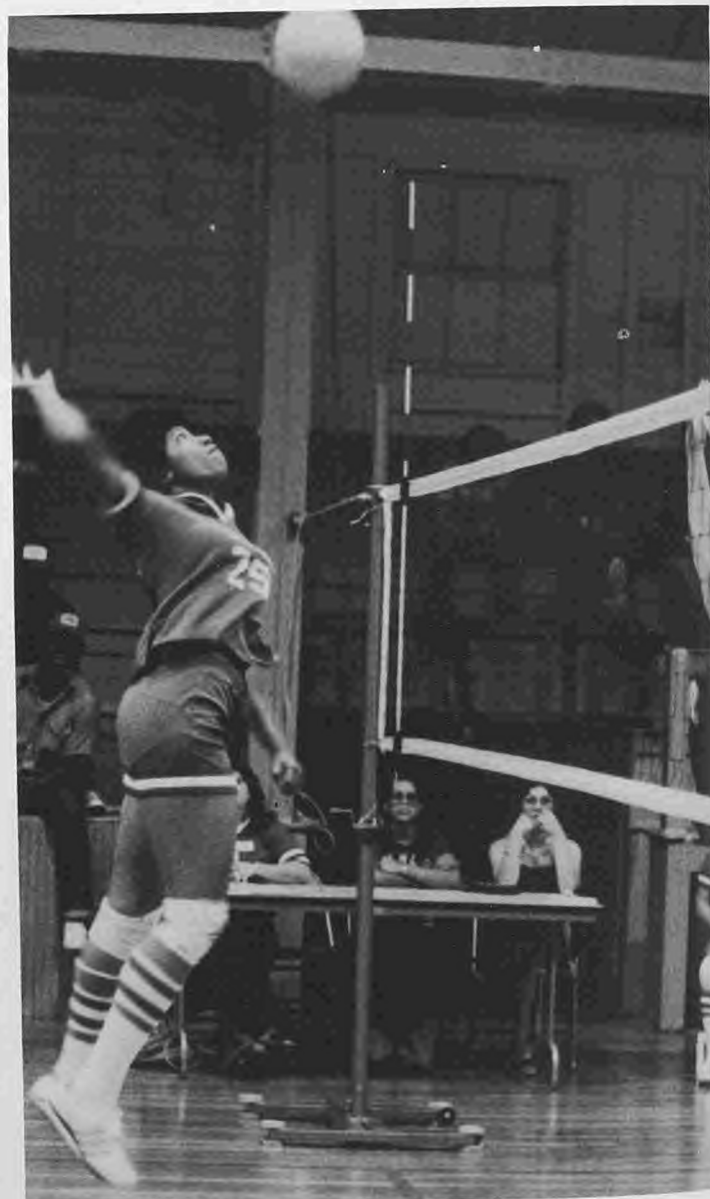

Entering into its second year, the La. Tech volleyball team posted a 2-22 record. The team was under the leadership of Coach Danelle Bradford. Recruiting is hard because the program is on a non-scholarship basis, but participation is building slowly. Creating a successful volleyball team takes long and hard practice and popular support. It takes patience from each girl to allow growth of the program, along with an interest in the game and in competition.

The 1978 Pom-Pon Girls

The Pom Pon girls is a group consisting of ten to twelve girls selected toward the end of fall quarter each year to perform the halftime of La. Tech basketball games. Each girl that tries out learns a pom pon routine taught by the old members of the last year and performs it for a group of judges. The girls are

selected on ability to perform the routine, poise, and projection. Interviews are held after the first set of cuts to select the final members. The head of the group this year is Cathy Colvin and all members work with her to add extra interest and involve Tech co-eds in the Bulldog Basketball season.

Clockwise Left to Right: Lee Ann Crain, Kathy Guidry, Mary Markiel, Jawan Timmons, Kenda Bates, Linda Simonetti, Sandy Hughes, Lynne Roddy, Bea Ann Hohnstein. **Middle:** Cathy Colvin.

The Regal Blues

The Regal Blues is a group of girls that make the dance team that represents Louisiana Tech at various activities during the year. The group started four years ago and has grown in popularity since then. The major activity of the group is halftime performances at football games. They also participate in pep rallies, Lady Techster games, special activities in the student center and track meets acting as hosts for Tech.

Tryouts for the team are held midway through spring quarter to select members for the next year. Interested girls perform a dance before a panel of approximately seven judges which includes the captain of the previous year and Regal Blue sponsor, Sonja Hogg. Captain for 1977-78 was Kelly Kingery. She, along with the other four officers of the group and the members, choreograph dances and perform them to add sparkle to the occasions that they attend.

OFFICERS: Lieutenants Marjie Rowe and Lisa Moss; Captain Kelly Kingery; Co-captains Mary Jane Walker and Becky Carlisle. MEMBERS: **Front Row:** Susan McGraw, Jane Lynn, Cheryl Crosby, Lisa Sills, Karyn Martin, Patty Moreland, Lee Ann Chatterddon, Debra DePrato, Lisa Howard, Judy Norton, Judilyn Smith. **Back Row:** Nancy Birch, Peggy Bass, Ava Cates, Frankie Arnold, Linda Parker, Kandy Spinks, Jessica Barkas, Monica Martin, Cherry Owens, Donna Graves, Jo Ann Dowling, Darlene Forrest, Cindy McBride, Cathy Preis, Kathy Deen.

Majorettes

The majorettes are chosen each year in April by a panel of 5 or 6 judges selected by band sponsor, Mr. Young. Eight girls are chosen on the basis of a 2-3 minute routine done to music with a baton and also on marching ability.

The majorettes are considered as an auxiliary unit to the band. They attend all out-of-town football games with the band as well as marching contest,

parades and home games. This year the group participated in the State Fair parade with the La. Tech Band of Pride. The majorettes practiced with the band and also put in much time with their own practices. Heads of the majorettes this year were Rose Smith and Sharon Laney. They work with the other members to make up the routines performed by the group.

THE 1977-78 MAJORETTES WERE: Sharon Laney, Susan Harper, Kelly Berry, Janet Greer, Rose Smith, Peggy Smith, Leigh Akers, Renee Abbott.
