Collection Description

Scope

The Louisiana Tech University School of Photography collection (n.d; 2 linear ft.) contains various subjects by the School of Photography students. Most of the photographs are abstractions and are black and white. Some of the photographs are mounted.

Processing Information

Whenever possible, original order of the materials has been retained. The collection is maintained in 2 acid free boxes and 39 acid free folders and envelopes. Oversized materials have been removed from the collection and are stored on the oversized shelving.
