<u>Collection Description</u>

Scope

Louisiana Tech Building Histories collection (1895-2004; 7 folders) is comprised of listings and materials related to the history of Louisiana Tech's buildings and campus. Also included in this collection are materials relating to the history of Louisiana Tech's presidents and administration. This collection would be of interest to anyone studying Louisiana Tech's history.

Processing Information

Whenever possible, original order of the materials has been retained. The collection is housed in seven acid free folders. Newspaper clippings and photographs have been foldered separately. Multimedia storage devices, CD's and floppy disks have been foldered separately.
